SHANGHAI SUBURBS LOOTED BY ARMIES; SUNKIANG TAKEN

Soldiers of Sun Chuan Fang in Full Retreat; Foreign Troops at Strategic Points About International City; May Come in Contact with Chinese

Feb. 25—The Cantonese soldiers of Sun Chuan Fang, the last strong force of Shanghai, according to reports from the Central Postal Directory, are not yet unconfined from other parts of the city.

The Exchange Telegraph Shanghai branch says that the Cantonese soldiers have established contact with the Chinese forces in the Sunkiang, but that the northern forces are not yet in contact with them.

KENTUCKY TOWN IS SMOULDERING MASS OF RUINS

\$250,000 Fire Sweeps Dry Ridge; Guests of Hotel Flees to Safety

Williamstown, Ky., Feb. 25—The town of Dry Ridge, four miles west of here, today was practically a smoldering mass of ruins. Its business district and seven residences having been wiped out by a fire early today.

Neighbors were reported lost, although guests of the Carlsbad Springs Hotel, as a health resort, narrowly escaped death when the hotel burned. They were warned in time to flee the way through heavy smoke and flames to safety.

A bank, the postoffice, moving picture theater, restaurant, confectionery, grocery store, and an undertaking establishment were leveled by the flames.

Damage is \$250,000.

Damage was expected to exceed \$300,000.

Fire fighting apparatus from this city and from Walton, 10 miles from Dry Ridge, was rushed to the scene to help a water supply hampered by the fire.

Stores of persons were forced to the streets in night attire. From one of the burning houses a sick woman was carried by rescue workers just before the walls crashed.

The fire, when discovered by a farmer about 1 o'clock this morning, had spread to the hotel and two other buildings.

All of the burned buildings were destroyed of wood.

FILM DIRECTOR TAKES LIFE IN DESPONDENCY

Lynn F. Reynolds Dies in Los Angeles Hospital; Wife Is Kathleen O'Connor

Los Angeles, Feb. 25—Lynn F. Reynolds, 36, widely known Hollywood picture director, husband of Kathleen O'Connor Reynolds, beautiful actress, died in a Los Angeles hospital today from a wound inflicted by a bullet fired by Reynolds in a suicidal intent.

The director's desperate act, according to his wife, was committed in a fit of despondency immediately after his first wife's death from the high Sierra Nevada Mountains.

OWA HIGH SCHOOL GIRL DRINKS CARBOLIC ACID

Student suicides was increased to 18 by death of Deena Reich

Des Moines, Iowa, Feb. 25—The toll of student suicides was increased to 18 by the death of Deena Reich, 16-year-old girl, who drank carbolic acid.

Miss Reich ended her life by drinking carbolic acid.

This was the fourth student suicide in Iowa in two weeks.

Honor Marion Boy

William Dowler, 19, Harding High School Senior and Orchestra Member, To Play Traps in National Meet

MARION will be represented in the National High School Orchestra, which will play at the meeting of the National Educational Association at Dallas, Texas, during the session of that organization from Feb. 27 to March 3.

William Dowler, student at Harding High School, and a member of the orchestra there, as well as several other musical organizations in Marion, will be a member of this national orchestra which will play in Dallas. From among the musicians in the thousands of high schools in this country, the best were selected to make up this National High School Orchestra.

Dowler, who is 19 years old, is now a senior in Harding High School. He has been a member of the orchestra there during the entire four years, and has also played the last three years in the Grand Theater orchestra and in the Epworth M. E. Church orchestra.

He is the son of Mr. and Mrs. Jesse Dowler, 675 Windsor.

Supt. J. H. Mason, head of the Marion schools, will be at the Dallas meeting. Mr. Mason leaves Marion Saturday morning for the Texas city.

BALDWIN ATTACKS USE OF CIGARET

London, Feb. 25—Premier Baldwin is today in the ranks of the opponent of the cigarette.

"Cigaret smoking is a messy habit," said the premier, an inveterate pipe smoker, as he was presented with a beautiful pipe with an aluminum bowl at the British Industries fair at Birmingham.

CONTRACT AWARDED FOR NEW INDUSTRIAL PLANT

John Baldauf & Sons Get Work of Building Wilson Bohannan Co. Factory

Contract for construction of the Wilson Bohannan Co. factory building, to be located on Buckeye, west of the Hooking Valley railway, was awarded yesterday afternoon to John Baldauf & Sons, local contracting firm.

Contracts for plumbing work and equipment to the United Electric Co., both Marion concerns.

A total of 14 bids were received by the Bohannan Co. board of directors at a meeting held yesterday in the Marion Chamber of Commerce office, all of the bidders being local firms.

Ready June 1

Under terms of the contracts, the factory building is to be completed and ready for operations on or before June 1. The building will measure 50 by 102 feet and is to be of brick and concrete with steel framework.

The structure will include office rooms and be divided for operation of tool, shipping and packing, lathe, plating and polishing and buffing departments. The entire base of the building will be of concrete up to the windows with brick above.

The company will have a force of about 60 employees at the beginning with prospect of an increase later. It manufactures locks and hardware supplies for which an extensive market has already been established by production at the present factory, located in an eastern city.

The new industry was obtained for Marion through negotiations conducted by the Marion Chamber of Commerce.

U. S. ISSUES WARNING TO CHINESE-FIGHTERS

Washington, Feb. 25—The American proposal for the neutralization of the Shanghai international settlement having failed of acceptance, the diplomatic corps in Peking has issued a new ultimatum to the Chinese war lords to protect the lives and properties of foreigners in Shanghai, the state department announced today.

The ultimatum warned the army chieftains "to take all measures necessary to avoid incidents which would constrain the foreign authorities themselves to take measures indispensable for securing the safety of the persons and property of their nationals."

FOG IS BLAMED

Only One Fatality Occurs in Chesapeake Bay Collision

Baltimore, Feb. 25—A federal investigation opened today into the steamship collision between two Chesapeake Bay line vessels, the City of Richmond and the City of Annapolis, yesterday.

There was only one fatality, Miss Virginia Starkey, 20, of Baltimore. Her cabin was directly in the path of the tearing prow of the Richmond as it struck the Annapolis, and she was either killed by the collision or drowned.

The Richmond did not attempt to back away from the Annapolis after she struck, and by thus holding her prow in the gaping hole enabled the Annapolis to star about while her 47 passengers and 55 crew stepped from one vessel to the other. Then the Annapolis sank. Fog is blamed for the accident.

10,000 Fortune Hunters in Mad Race for Diamonds

JOHANNESBURG, Feb. 25—Ten thousand fortune hunters entered in a mad race today when diamond claims upon a farm at Grafontein were thrown open.

Professional men, clerks, tradesmen, and women joined in the race, to get out claims.

A group of professional runners were brought here from Australia to race to the newly-opened field and make a claim for a syndicate.

Those traveling on foot were given a 20-minute start over those who chose to motor to the new fields, which were approximately two miles from the point where claimants were to start.

PACT GIVES U. S. PROTECTORATE IN NICARAGUA

Treaty of Alliance Proposed to State Department by Diaz Made Public

CONTROL HANDED OVER

Direction of Government Finance and Constabulary Also Is Permitted

Washington, Feb. 25—An outline of the treaty of Alliance between the United States and Nicaragua, amounting virtually to an American protectorate over the country, which President Diaz has proposed to the state department was made public here today in the form of an appeal from Diaz for American public support.

Diaz proposes to give the United States a "permanent right of intervention" if the treaty is consummated, permit American control of Nicaraguan government finance, and American direction of a Nicaraguan constabulary, to be set up after the dissolution of the present army.

DIAZ TROOPS TO BATTLE LIBERALS

Managua, Feb. 25—While American marines are now occupying the principal cities of Nicaragua, an army of 5,000 Diaz troops has set out from Managua to give battle to the Liberal forces to the east of that city.

President Diaz has turned over the tobacco monopoly to U. S. marines, who are also in occupation at Leon and Chinandega.

As the marines extend their activities there is scarcely any territory left for the Liberals to attempt to take from the Diaz forces.

HABERMAN CHEVROLET AGENCY CHANGES HANDS

Harry Haberman Leaves Concern; Name and Sales Policy Retained

Announcement was made today of a change in the ownership of the Haberman Chevrolet Co., local Chevrolet dealers, from the partnership consisting of Harry Haberman and Fred Haberman, Jr., and Fred Haberman, Sr., to another partnership of Fred Haberman, Jr., and Fred Haberman, Sr. Harry Haberman leaves the concern.

The name and sales policy of the former partnership will be retained. Fred Haberman, Jr., announced today.

An increase in new car sales of 300 per cent for the first two months of this year over the first two months of last year was announced by Haberman today. Three times as many cars were delivered during January and so far in February as during the same period of 1926. Average sales for the last several years has been 400 cars a year.

The Haberman Chevrolet Co. is one of the oldest Chevrolet agencies in the state. It was organized in 1911, and that year it sold and delivered nine cars. At the time of its organization the partners themselves were the salesmen while now the company employs nine salesmen.

RAILROAD WRECK TOLL IN MEXICO FIXED AT 40

Injury List Estimated at 100; Broken Car Axle Crash Cause

Mexico City, Feb. 25—Bodies of the victims of the disastrous train-wreck near Tampico were being removed from the wreckage today, and physicians and nurses were giving aid to the injured.

The death list is now fixed at 40, while it is believed that close to 100 suffered injuries.

A broken axle on one car of the train, broken from Tampico to Monterrey, caused a derailment and wooden cars telescoped and smashed into piles.

Most of the victims were workmen and their families.

SENT TO HOSPITAL

"Battling" Nelson To Undergo Examination at Psychopathic Institution

Chicago, Feb. 25—Oscar "Battling" Nelson, who 20 years ago was lightweight champion of the world, today was ordered sent to the psychopathic hospital for examination.

Nelson was brought into court in an effort to secure extradition papers for his return to Montana, where he is accused of having stolen motion pictures of his championship fight with Ad Wolgast, which Nelson lost.

The case was held over until March 8 pending a report on Nelson's sanity.

COOLIDGE PUTS NAME ON BRANCH BANKING BILL

Washington, Feb. 25—President Coolidge today signed the McFadden Branch Banking Bill.

The measure was enacted by the senate only after cloture had been invoked to kill a filibuster.

LUMBER MAN DIES

New Lexington, Feb. 25—Philip J. Flaut, 65, partner of the Snider-Flaut Lumber Co., Zanesville, Somerset, and New Lexington, died at St. Augustine, Fla., late Thursday, according to word received here today. Burial will be held here.

Declares Measure Unconstitutional in Long Message

President Vigorously Asserts Proposed Law Would Not Benefit Farmer and Is Unworkable; Difficulties Sufficient To Wreck Plan, He Adds

THROWS DOWN GAUNTLET TO OPPONENTS

Executive Substantiates His Claims by Quoting 10-Page Opinion of Attorney General; Hacks Bill to Pieces with His Criticisms

Washington, Feb. 25—President Coolidge vetoed the McNary-Haugen farm relief bill today and in a vigorous message to congress explaining his action declared that the bill was unconstitutional, that it would not benefit the farmer, and that it was unworkable.

The president's veto throws down the gauntlet to his middle-western political opponents, who wrote and campaigned zealously for the bill. It also kills any chance for farm relief legislation until next December, as there is no chance of enactment of the measure over the veto, nor is there time to put through any other program in the week remaining of the present session.

While the principal ground for the veto was its stated unconstitutionality, supported by a 10-page opinion of the attorney general, Mr. Coolidge liberally hacked the bill to pieces with his criticisms of it.

Not Benefit, Claim

"The unconstitutionality was based upon that section which would limit the president in his choice of men to comprise the federal board almost exclusively to those who are interested in the act. This was interpreted by the attorney general to violate the constitutional appointment power of the president."

But, aside from that, Mr. Coolidge said:

"The chief objection to the bill is that it would not benefit the farmer."

"It would not succeed in providing a practical method of controlling the agricultural surplus, which is the heart of the whole problem."

"The administrative difficulties involved are sufficient to wreck the plan."

Points Out Burden

"The bill would subject the whole agricultural industry to the tyranny of bureaucratic regulation and control."

"The bill would impose the burden of its support to a large degree upon farmers who would not benefit by it."

The whole effect of the plan will be to continuously stimulate American production and to pile up increasing surpluses beyond the world demand.

"The bill is essentially a price fixing bill."

These were but a few of the barbed shafts shot at the farm bloc measure by Mr. Coolidge in the course of a message that ran nearly 8,000 words.

"Won't Aid Farmers"

"The difficulty with this particular measure," the president said, "is that it is not framed to aid farmers as a whole and it is, furthermore calculated to injure rather than promote the public welfare."

"It is axiomatic that progress is made through building on good foundations that already exist. For many years balanced and diversified farming has been regarded by thoughtful farmers and scientists as the safeguarding of our agriculture. The bill under consideration throws this aside as of no consequence."

The measure discriminates against products which make up what has universally been considered a program of safe farming. The bill upholds an idea of American farming the men who grow cotton, corn, rice, wheat, oats and barley and nothing else. These are to be given special favors at the expense of the farmer who looks for a chance to build up a constructive farming enterprise to include a variety of crops and livestock.

Singles Out Few

"The bill singles out a few products, chiefly sectional, and proposes to raise the prices of these regardless of the fact that thousands of other farmers would be directly penalized."

Why, he asked, is this a true relief measure, were all other products left out except those mentioned?

Going into the operation of the bill, he said:

"I thought he recognized the bill as McNary-Haugen and he started to question her. Not until today did she finally admit her identity."

"I knew I would have to give up my little trip through the state in the end because my money was gone," said Miss Mahoney. "I have enjoyed every minute of the time that I have been away from home, but I am sorry if I caused my parents any worry."

When Miss Mahoney walked into the police station last night she was "dead broke."

She walked the 10 miles from Albany yesterday afternoon and had not eaten since early in the morning.

"I had a good time just the same," she said.

NONE SURPRISED BY VETO OF BILL

Washington, Feb. 25—President Coolidge's veto of the McNary-Haugen farm bill occasioned little surprise at the capital today. Administration leaders had predicted all along that he would reject it.

Farm bloc spokesmen and Democrats generally criticized the president, while administration leaders gave him praise.

"I think the president has made a very great mistake," said Senator Chandler, Republican of Kansas, farm bloc leader.

It would, the president declared, measure, do little for the millers, exporters, packers, everybody but the farmer.

"It seems almost too incredible," he said, "that the producers of high cost wheat, rice, tobacco and cotton should be offered a scheme of legislative relief in which the only persons who are guaranteed a profit are the exporters, packers, millers, cotton spinners and other processors."

"Clearly this legislation involves governmental fixing of prices. It gives the proposed federal board almost unlimited authority to fix prices on designated commodities. This is price fixing furthermore on some of the nation's basic foods and materials, government price fixing once started has a life of its own and it is an economic folly from which this country has every right to be spared."

"This legislation proposes, in effect, that congress shall delegate a federal farm board, nominated by farmers, the power to fix and collect a tax, called an equalization fee, on certain products produced by those farmers. This certainly contemplates a remarkable delegation of taxing power."

"This so-called equalization fee is not a tax for purposes of revenue in the accepted sense. It is a tax for the apportionment of money."

MACHINE GUN BARKS OUT DEATH TO PHILADELPHIAN

Two Others Wounded When Automobile Speeds by Night Club

Philadelphia, Feb. 25—One man was killed and two others were wounded as a machine gun barked its message of death from an automobile, which sped by the Club Cadet here early today.

Men and women participating in a private party in the night club fell in terror after the shooting, believed to have been the climax of an underworld feud.

The dead man is John Bricker, 25, address unknown. His bullet ripped his neck, forehead and back.

Five bullets penetrated the neck, shoulders and abdomen of Mike Duffy, 42, who according to police is dying in Hahnemann Hospital.

The doorman of the club, Earl Brown, 31, is being treated in a local hospital for two bullet wounds in the thigh.

Four men who occupied the automobile are being sought by police as the players.

TOBACCO WAREHOUSE IS BURNED, \$100,000 LOSS

Gallipolis, Feb. 25—Fire of an undetermined origin early today burned the Gallipolis local tobacco warehouse to the ground, causing a loss of approximately \$100,000. A cut of Hooking Valley freight cars were damaged.

Grayson T. Thornton, Huntington, W. Va., is president of the warehouse concern.

Girl Blames Wanderlust For Her Disappearance

COHES, N. Y., Feb. 25—"I guess it was wanderlust," Miss Mahoney said today when questioned by the police about her disappearance.

"I knew I would have to give up my little trip through the state in the end because my money was gone," said Miss Mahoney. "I have enjoyed every minute of the time that I have been away from home, but I am sorry if I caused my parents any worry."

When Miss Mahoney walked into the police station last night she was "dead broke."

She walked the 10 miles from Albany yesterday afternoon and had not eaten since early in the morning.

"I had a good time just the same," she said.

TOURISTS, BEWARE!

Autos of Tourists Will Be Searched on Return from Canada

Washington, Feb. 25—Tourists who contemplate visiting Canada during the coming summer season were warned today by the treasury that all automobiles will be searched carefully for liquor.

Customs authorities are notified to give returning tourists a chance to "declare their liquor." If a tourist admits he had liquor, he loses it; if he denies carrying contraband, and an inspection discloses the real goods he must pay \$30 a bottle. He will not be prosecuted, however.

Tourists or others caught with more than 12 quarts of liquor will be arrested and will face prosecution not only of the liquor and their automobile, but prosecution.

YOUNGSTOWN ROOM BLOOD SPATTERED

Youngstown, Feb. 25—City and county authorities today are making vigorous efforts to apprehend the perpetrators of an attack upon two "under cover" men, who were severely beaten and tortured here late Thursday by an alleged gang of bootleggers in a revival of the vice war here.

Sheriff Peter Coel answered a hurry call to a "speakeasy" and found walls spattered with blood. Four hours later a car was found in which the victims had been taken from town.

Galli-Curci Points Out Pitfalls To Be Avoided By Aspirants for Opera

Big Share of Failures Due to
Mother's Lack of
Foresight

NEW YORK, Feb. 25.—Aside from the untold heartaches, more than a million dollars are wasted annually by the over hopeful, but so often misguided, aspirants to fame as professional singers in this country.

Ninety per cent remain mediocre—or fail entirely.

Yet so many have lovely voices, trained at great expense. But after a public appearance or two, they sink into oblivion.

The statistics are supplied by the editor of a music publication; the explanation comes from Amelia Galli-Curci, world famous soprano.

What She Says

"A big share of these failures," says the diva in the Woman's Home Companion, "is due to lack of foresight on part of mothers."

"They wait too long before beginning the proper instruction of the singing child. And then they try to hurry results. The average girl, Galli-Curci points out, is sixteen before her vocal training begins. And the subsequent procedure is something like this:

The mother, ardently eager, takes her daughter to a teacher highly recommended. The expense is overlooked. What matter if the whole family have to starve? Genius may be the reward.

When Trouble Begins

The young singer becomes indignant. The teacher finds that her musical training has been neglected. He has to get down to fundamental ground work.

Although a well-written novel concerning a group of admirably portrayed characters, one wonders just what had been the author's purpose after all. An entertaining story? ... yes, and a most unusual type, but certainly a novel wholly without purpose.

Among the promising spring publications already announced are "Under the Tonto Rim" by Zane Grey, "The Allingham" by May Sinclair, the lives of six young people from childhood to their 20's, "The Old Countess," a French story, by Anne Douglas Sedgwick, author of "The Little French Girl," "Song of Life," a group of nine of Fannie Hurst's most recent short stories, "The Immortal Marriage," a historical novel by Gertrude Atherton, "Mother Knows Best," a collection of short stories by Edna Ferber, "The Sea Gull," by Katherine Norris, "Elmer Geary," a "Habit" type of novel by Sinclair Lewis, "Wild Murre," by Freeman Tilden, "Philosophy," by Henry Mitchell Weaver, "Thelma," a romantic novel by Pamela Wynne, and "Hivley," by Sarah Warder MacConnell.

Emil Ludwig's "Wilhelm, Hohenzollern, the Last of the Kaisers" was published by Putnam today.

Mendo Minnigrode, author of "Corolla Chantrelle," has completed work on a new historical novel called "Cockade," now being serialized in "Adventure" and to be published by Putnam in April.

Library authorities today announced the placing in circulation at City Library of the following new books, "The Art of the Novel" by Booth, "The Muses' Decade" by Beer, "Early English Literature," by John, "The Birth of the Novel," by Galsworthy, "The Famous Painters," by Gerwin, "Royal Road to Romance" by Halliburton, "Joon of Arc" by Paine, "East of the Sun and West of the Moon" by Gogolovitch, "Dance Music" by Kelland, "Debts and Credits" by Kipling, "Penelope Finds Out" by Wyner, "Winds of Complication" by Fritz, "Vielon" by Gates, "Sylvia of the Minute" by Martin, and "Girl from Scotland Yard" by Wallace.

For juveniles are the following carefully selected new books, "Cart of Many Colors" by Mordkhai, a story of Italy and Italian educational as well as entertaining; "David Goes to Greenland" by Putnam the story of a lad who went hunting 3,000 miles from home, and his strange encounters; "Talking Leaves" by Stoddard, story of a girl held captive by Apaches; "On the School Team" by Earl, a good boy's story; and "Ranch on the Outback" by Tamm, story of frontier life in Kansas including such characters as "Buffalo Bill."

RAT STANFORD BAKER, the man authorized by Mrs. Woodrow Wilson to write the biography of her famous husband, announces that his book, "The Life and Letters of Woodrow Wilson," based on his letters, papers and the memory of his friends and relatives, will be ready for publication before the end of the present year. Doubleday, Page & Co. of New York City will publish the book.

"She-Shanties" is the title of a book of light verse dealing with women which will be published by A. P. Hertz, genial poet of "Punch," March 4 by the Doubleday, Page & Co. It is said that not one feminine-type escapes Herbert's pen, he "places woman on her usual pedestal and with quaint courtesy kicks it from beneath her" as one clever critic said.

Among the new books offered by E. P. Dutton & Co. are "Violet Mores" by Leonard Merrick, a poignant love story and first novel; "Promises" by M. A. Detton, a story of "Promises" and the future of Christianity; by John Clegg, two books to be added to the Dutton "Today and Tomorrow" series; "The Moulton House Mystery" by Charles Barry, a genuine detective story; "The Golden Centipede" a novel by Louise Gerard; "Winterwise" by Zephine Humphrey; and "Masterpieces of Chikamasa," translated by Araturo Miyamoto.

It is while with her mother's family, who are about to leave for the proper, well-known English city, that she learns of her father's illness and returning home, she finds with an unrelenting and love that she has never before known. Her sympathy for the husband who she had forsaken and whom after all, had only attempted for a few days, grows into love and the story after all, ends happily.

Most recent portraits of Miss Amelia Galli-Curci. Left, posed in her Fifth Avenue home, New York; right, feeling pigeons in Central Park, which she loves to do.

it makes no criterion by which to judge the future. Should she sing instead to an utterly strange audience she will not have to wait to discover where she stands.

"But why dwell too much upon the bitterness of disappointment, the heartbreak of it all? Here is pronounced a lovely voice with absolutely nothing lacking of it. She fails to interest. She does not put her song across.

"The reason is that the great fundamental in singing is to be a good musician; and it does not seem to occur to anyone to help these talented flounders to acquire some musicianship."

Her Own Experience

Galli-Curci says it is impossible to emphasize this point enough.

"At six," she adds, "I was taking piano lessons and practicing. At sixteen I was graduated as pianist with honor of medal from the Milan Conservatory. Without that early training in musicianship I could never have reached my real possibility."

"To become a singer the command of at least one instrument is a necessity. The piano is preferable above all others, being complete in itself. Yet it is patently true that a very great percentage of the poor misguided who are receiving vocal training cannot play a single note.

Her Advice to Mothers

For those mothers who wish to avoid the mistakes of so many others, Galli-Curci gives this advice:

"The first thing to do is to put the ambitious little singer in charge of a kind sympathetic teacher who is familiar with modern methods of piano instruction. She will experience the excitement of taking music apart and putting it together again. She will be taught time, scales, chords and their relation to one another, to transposition from one key into another, to memorization pieces, even improvisation original ones.

"If the child takes no interest in these things and proves herself after a fair test absolutely unmusical, put away all thought of making her a singer for she has not the first qualifications."

CHANGE IN CITY ZONING ACT IS BEING URGED

City Planning Commission Discusses Proposal at Conference with Mayor

A proposal for another change in the city's zoning ordinance to extend the commercial district on W. Center street as far west as Park boulevard.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain To Treat.

Medical authorities state that nearly one-fourth of the cases of stomach trouble, indigestion, sourness, burning, gas, flatulence, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Trying to force the stomach to digest by taking aside all digestive aids and instead get from any drugstore a few capsules of Bismarck's Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bismarck's Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

At a meeting of the City Planning Commission, held in the office of Mayor Hazen.

The commercial district limit on W. Center street is now at a point midway between Prospect and Pershing, all territory beyond that being restricted for residence purposes.

No decision was reached and it was indicated that the proposal will be taken up and probably acted upon at a future meeting. Commercial district extensions on E. Center, E. Church, S. State, S. Prospect and S. Main streets were recently acted upon favorably by the commission and will be recommended at the City Council meeting next Monday night.

Provision in the territory covered by the proposed extensions have become so valuable to be wanted to residence use, the commission has concluded. Negotiations under way for the sale of several properties can not be closed, it is reported, until the prospective purchasers are assured that they can use the ground as business building sites.

Under zoning restrictions in effect here, no business of any description can operate in districts designated for residence purposes.

Get Application
At its meeting yesterday the commission received an application from H. C. Vance for a permit to construct an addition to his home at the corner of Silver and Maple streets in which he plans to operate a grocery. No action was taken, due to the fact that Mr. Vance had not fully complied with the commission's rule which requires an applicant for a business permit in residence territory to get the consent of at least 10 owners of adjoining property. He presented a consent petition bearing 10 signatures but some property interest in the location of the proposed grocery was not included, investigation showed.

The planning commission consists of Mayor Hazen, who is president by virtue of his office, Service Director O. A. Bonnett, O. S. Rapp, Charles E. Meyer, W. G. Slack, J. E. Phillips and E. H. Cowan.

BEHIND THE SCREEN

JOAN ALDEN

Out in Hollywood a beauty contest title often turns out to be more of a hindrance than a help in getting a part in the movies. Joan Alden, winner of a Chicago contest, is one of the few exceptions to the rule for she has captured a leading role after but a few months in pictures. She plays the feminine lead opposite Universal's new dog star, Dynamite.

In a small building near the Paramount studio in Astoria, screen illusions are made to order.

It was in this building that the coach drawn by four white horses in "A Kiss for Cinderella" ascended to the skies. Two inclines were placed in a vacant lot and the horses photographed as they dragged the fairy coach "heavenward." The scene was taken at night and nitrogen lights used to dry the moisture on the camera glass. These lamps attracted moths which came out in the picture as large as eagles. Only after a means of shooting the pests away had been devised were the cameramen able to work.

The studio also specializes in ocean scenes. Here miniature yachts have been manufactured since moviegoers soon realized they were watching a "faked" scene because there were no passengers aboard. Now Mr. Waller has perfected tiny figures with movable arms and legs which he uses in short requiring persons to be walking about his miniature boats. Next time you see a boat in distress on the screen see whether you can distinguish the scenes in which a model is substituted.

Waller also manufactures storms to order. Bridges, cities, and skyscrapers in turn are photographed so expertly that only a few can detect the deception when the finished product is thrown on the screen.

MARION VETERAN GETS COMPENSATION RAISE

B. Wayland, 322 Belmont-st., Granted Increase by United States Bureau

Congressman Brooks Fletcher has notified by the United States Veterans Bureau at Cleveland, O., that his request for favorable consideration of a claim for compensation by R. B. Wayland, 322 Belmont-st., has been granted. Congressman Fletcher has notified Mr. Wayland that he will be compensated at the rate of \$80 per month from April 23, 1926, together with an additional allowance for his dependents and including an award of eight dollars per month from June 7, 1924, to April 22, 1926. Mr. Wayland was a soldier in the World War, serving in the First Division and was gassed, the effects of which have resulted in total disability.

TAKEN HOME
Donald Wyrick, who recently underwent an operation for appendicitis at City Hospital, was removed to his home, 140 Campbell-st., in the M. H. Gunder invalid car yesterday morning.

USE FOR GARBAGE
Kurt Gerson, an engineer of Berlin, Germany, has developed a process of manufacturing gun cotton or artificial silk from the garbage of great cities. It is done, he says, by sifting and subjecting all the cellulose ingredients to a special treatment. By distilling the refuse, such as potato peelings and pieces of wood, he claims to produce tar, charcoal and acetic acid.

Miss Lucia R. Briggs, the Milwaukee educator who has been honored with the presidency of the American Association of Colleges was graduated in 1909 from Radcliffe College, of which her father, Leffon Russell Briggs, was then president.

Miss H. F. M. Court, who has been appointed head of the costing and accounts department of the House of Lords, is the first woman to be selected for an important administrative position in the British House of Parliament.

"Run Down?" You Need Stimulation

This Scientific Method Restores Vitality and Nerve Force

The whole energy and vitality of the body depend on what you get out of your food. If the glands of your digestive organs are not doing their work properly, you are bound to feel "run down," tired all the time, with no ambition and no enjoyment in life.

Scientific stimulation of the glands of your stomach and mouth and other vital organs will bring back vigor to your whole system. A remarkable stimulant-nerve has been devised for just such conditions as these. It is delightfully palatable and is prepared by an old Virginia concern in business for nearly a century. Druggists and physicians have come to know this stimulant as "Old Monticello Tonic." Get a bottle today from your druggist, take a small wineglass full before your next meal—see how much better you eat—feel the glow of stimulated functions throughout the body. A few days' treatment will bring a quick change in run-down conditions and overcome lack of energy.

CLUB AFFAIRS
SOCIAL EVENTS
CHURCH NOTES

Social Activities

COSTUMES of Colonial days were worn by members of the Dolphin Club when they entertained with a colonial tea for the pleasure of their patrons and guests yesterday afternoon at the Community Home, S. High-st. A patriotic note was entered into the arrangement of the assembly room and in the diningroom where tea was served. The guests were received by Mrs. J. C. Cheney, Mrs. Carl Watrous and Mrs. C. F. Church and following the reception were entertained with an unique and delightful program. Miss Helen Bever was heard in two charming piano numbers, "Prelude" from Carnival Mignon, by Edouard Schmitt and "My Night" by Edouard Schmitt.

Mrs. Harry J. Ackerman portrayed the part of the landlady, a young man and the following members of the club impersonated: "The Girl of Long Ago," Mrs. Lewis L. H. The Lass with a Delicate Air," Mrs. Carl Watrous, "The Merry Widow," Mrs. J. D. Wilkerson, "Salvation Army Lassie," Mrs. C. J. Beyer, "Wild Irish Rose," Mrs. B. M. Sager, "Maid from the South Sea Isles," Mrs. Martin Verburg, "Scotch Lassie," Mrs. D. H. Lincoln, "The Rose of No Man's Land," Mrs. W. S. Anderson, "The Village Queen," Mrs. Fisher, "Sweet Maid," Mrs. A. W. Warwick, "The Flapper," and Mrs. Lulu Merchant, "Gypsy Maid."

The guests were welcomed by Mrs. J. C. Cheney, president of the club, and Mrs. Lewis L. H. president of the Marion County Federation of Women's Clubs, gave a brief talk.

Following the program the guests were served in the diningroom where Mrs. Cheney, Mrs. Carl Watrous and Mrs. A. W. Swan presided at a table lighted with candles in patriotic colors in the same shades. They were assisted by Mrs. A. B. Lawless, social chairman, Mrs. Frank Jenkins and Mrs. D. H. Lincoln. Small silk American flags and a birthday candle in red, white and blue, were the guest favors.

Seven Baptized
Five converted at Trinity Baptist Revival Services

Seven persons were baptized and five converted at the evangelistic service at Trinity Baptist Church last night at which time Rev. H. C. Gillespie of Wilcox, O., who is in charge, preached on the subject, "What Every Man in Marion Must Do," from the text, Second Corinthians 5:10, "For we must all appear before the judgment seat of Christ."

"One great lesson is taught by all the incidents recorded in both the old and new testaments, and that lesson is moral accountability," stressed Gillespie said. "Each of us must account to God for the deeds done in the body and abide eternally by His decision."

A feature of the service was the concert given by members of the girls' orchestra of Harding High School. Rev. U. S. Davis, pastor, administered the rite of baptism.

Old time hymns will be sang at the service at 7:30 o'clock tonight and tomorrow night. A brief Sunday School session will be held from 9:30 to 10 o'clock Sunday morning and an evangelistic service at 10 o'clock. Reverend Gillespie will address both church and Sunday School attendants on the subject, "The Sacred Fire."

DIVER TO MAKE SURVEY OF LAKE IN YOUTH HUNT

Toledo Man To Estimate Cost of Searching for Student's Body

Preliminary arrangements for employing a professional diver to explore Crystal Lake in a final effort to find the body of Crystal Lake student, 18-year-old business college student who is supposed to have committed suicide by drowning himself on the lake were made at a conference held yesterday by Fred H. Scherf, owner of the Crystal Lake Park, and a number of other persons. Among the persons attending were M. A. Virden of Toledo, guardian and uncle of the boy, and C. H. Bower of S. Mainst.

According to present arrangements, a Toledo man who has had extensive experience in a similar kind of work on the Great Lakes district, will be here early next week to make a survey of Crystal Lake and to estimate the cost of his services. It is likely that a date will then be set for his diving operations here.

Secrecy Planned

Should this arrangement be definitely made, the time of the search will be kept secret in order to prevent interference from the throng of spectators that would be certain to assemble should the details be made public. Widespread interest has developed in the case and it is probable that several thousand persons would congregate at the park to witness the diver's operations should there be no restrictions, local officials who have been assisting in investigating the mystery state.

As a consequence, the list of spectators will be limited to city and county authorities, relatives of the Virden boy, representatives of the press and a few other persons.

Other Precautions

In case the plans for secrecy should fail to be completely effective, additional precautions to prevent the presence of a throng of spectators from interfering with the diver's work will be taken by placing guards at the park entrance to keep out all persons except those authorized to witness the search.

Should the diver be employed, he will be instructed to explore the lake thoroughly in order that it may be ascertained beyond doubt whether the boy's body is in the water. There is a

FARMER INJURED WHEN AUTO CRASHES WAGON

Accident Occurs Near Caledonia on Harding Highway; Vehicles Damaged

Caledonia, Feb. 25.—John Lyons, 39, west of here, is confined to his home today suffering from a fractured rib, and painful cuts and bruises as a result of an accident on the Harding Highway, two and one-half miles west of here late yesterday afternoon.

Lyons was hurt when an automobile occupied by Dr. Carl A. Murr, and Rev. A. H. Schindler, both of Gallien, driven by the former and bound for Marion crashed into the rear of the farm wagon Lyons was driving. The force of the crash was sufficient to throw Lyons against the fence by the roadside, a car coming from the west forced the Murr car to the right of the road, according to reports coming from Gallien this morning.

The automobile crashed into the ditch and broke off a telephone pole. Damages to both the wagon and the car were not considered of a serious nature.

The injured man was removed to the nearby farm home of his brother, Chester, where he was attended by Dr. J. E. Baker, Marion.

Dodges Practically Made First Fords Records Show

WASHINGTON, Feb. 25.—In the beginning, according to the records today in the \$30,000,000 Ford stock suit, the Ford automobile was made by Dodge Brothers.

That, at least, is the Genesis of the Dodge fortune as given in behalf of the Dodge estate, which recently sold its automobile holdings to a New York banking syndicate for \$175,000,000.

Here is the contemporary account, as taken from the trial record, of a \$700 machine shop which grew up:

"Howard L. and John F. Dodge started a small machine shop in 1901 with a combined capital of about \$700. At that time, Henry Ford induced them to make motor parts for his new horseless machine, and to take stock in the company in payment. For some time they made practically the entire car. In 1909, they finally sold their Ford stock, 2,000 shares, for \$25,000,000.

With this story as virtually the last in the record, the tax hearing was concluded today with an agreement between court and counsel for the filing of briefs within 30 days, replying briefs 25 days thereafter, and oral arguments at the convenience of the court some time after May 1.

The ruling in the history making case probably will not be handed down until June.

crash, without this indirect price fixing, buying and selling, this creation of huge bureaucracies. They are, on the contrary devoted entirely to the principle of building up farmer-controlled marketing concerns to handle their problems, including occasional surplus production, and applicable to all agriculture and not to a minor fraction. I have frequently urged such legislation. I wish again to renew by recommendation for some such plan to be adopted."

RED CROSS CHAPTER'S SUPPLIES EXHAUSTED

Heavy Demand for Relief Causes Shortage; Secretary Issues Plea

Reserve relief supplies of the Red Cross in Marion are nearly exhausted, to great has been the demand for relief, according to Miss Mina Doughty, secretary of the local chapter.

Calls for food, clothing, bedding and fuel have been heavier this year than last, Miss Doughty says and the stores from which the Red Cross draws out its help to the needy are clear down to the shelves.

Clothing and bedding of all kinds are needed, and the Red Cross is anxious to get in touch with Marion citizens who have such articles which they are willing to donate. The Red Cross will call at the home of any citizens willing to give away any clothing or other supplies which might be used in relief work, and collect the articles, the secretary said.

The drain on the Red Cross supplies and funds has been augmented this winter by the calls for relief from men who have come here seeking work.

When their funds give out they call on the Red Cross for meals or aid in getting to another city. City relief agencies have been taking care of a great many of this type also.

UNDERGOES OPERATION

Miss Bernadine Bair, S. Mainst, underwent an abdominal operation yesterday at Grant Hospital, Columbus. Her condition is reported to be good.

Under the new laws laid down by Kemal Pasha, any Turkish woman apprehended wearing a veil is charged with misconduct (punishable by a fine) a second offense is considered a misdemeanor (punishable by a fine or imprisonment, or both); and a third offense is considered a felony (punishable by death).

The modern girl is by no means the first of her sex to be fond of paint and powder. Nearly two centuries ago women used cosmetics to such an extent that the English parliament enacted that all women "who betray into matrimony" any of His Majesty's subjects "in means of scent, paints, cosmetic washes, etc., shall incur the penalty of the law now in force against witchcraft and the like misdemeanors."

NOTED ENGLISH BEAUTY, MOVES TO ROME

When Miss Paula Gellibrand, of London was presented at court two years ago, she was acclaimed as the most beautiful deb who had been so honored since the war. She made her bow in 1925, and from the moment of her entry into the social activities of Mayfair she was extremely popular. Then she met the Marquis de Casa Maury, of Rome, veteran of the World War, sportsman and man of the world, and, after a short courtship, they were married. A long cruise on the yacht "Fantome" was their honeymoon; then a short visit in London, and now the Marquise de Casa Maury holds forth in Rome, where she is as popular a matron as she was a deb in London. This is her newest photo.

INSPECTOR RETURNS TO COLUMBUS AFTER PROBE

Unable to Uncover Any Information To Clear Mysterious Senate-st Fire

Inspector Kimberlin of the State Fire Marshal's office returned to Columbus yesterday after conducting a two-day investigation here of the attempt made by unknown incendiaries to burn down a vacant double house at 187-189 Senate-st, the night of Feb. 16.

The investigation, Kimberlin indicated before leaving yesterday, failed to uncover any information which promises to clear up the mystery. Persons living in the district where the incendiary attack was made were unable to furnish the inspector with any tangible clues.

The building, which had been vacant more than two years, is the property of Mrs. K. E. Gaylord of Lakewood, a former Marion resident. She lived in the Senate-st dwelling up until a few years ago.

No Enemies

Although Mrs. Gaylord has not been here since receiving notice of the attempt to destroy her property, authorities have been informed that she has no enemies upon whom suspicion might center. Lack of an apparent motive on the part of the incendiaries adds to the mystery and makes investigation difficult.

In preparing to set fire to the structure, the incendiaries poured large quantities of gasoline in most of the 12 rooms. Vapor arising from the gasoline exploded, tearing plastering from the walls and demolishing many of the windows. Most of the damage resulted from the blast, the fire having made comparatively little progress when extinguished by firemen.

CLEVELAND MAY VOTE ON ENDING CITY MANAGERS

Petitions Being Signed Asking for Election To Abolish Plan

Cleveland, O., Feb. 25.—The city manager form of municipal administration may be abolished in Cleveland, the first major city in the country to do so.

Petitions have been circulated asking a referendum election which would end the city charter and make the city an elective, instead of appointive form. The election, if called, will be held within three months. The petitions are said to contain more than half the necessary signatures now.

Despite the variable record made by W. H. Hopkins, who has filled the position since its creation in 1924, at an annual salary of \$25,000, a growing opposition to the plan has been reported from many quarters.

Davis Heads Move
The movement was climaxed at a recent mass-meeting led by Harry L. Davis, former governor of Ohio, now in business here. As a result of this session amendments to the charter were drawn up and the petitions for the election broadcast among citizens.

Why should a city council pick the city administrative head any more than the legislature choose a governor, or the voters select the president of the United States? proponents of the movement are asking in their campaign discussions.

The chief argument advanced by this group is that the public is just as well equipped to say who shall direct its affairs as a group of politicians who would sacrifice efficiency for party politics.

Would Pick Mayor
There a "machinel" might gain control of the city's guiding reins, the municipal manager would be kept on the job just so long as he acquitted himself to the satisfaction of the party in power, they declare. And by the same token, an efficient official might be dismissed summarily for treading on the wrong political toes and the public would have no say in the matter.

The amendments would supplant the present city manager, who is appointed for an indefinite period, by a mayor whose term would extend for two years. Paradoxically, the name "city manager" would continue in use in order to preclude amending dozens of sections of the charter and causing an enormous printing expense.

BRITISH SOLONS PUT KICK IN "STATE BEER"

Carlisle, Eng., Feb. 25.—The British government has introduced a new kick into the "State Beer" which it brews for its semi-totalitarian town of Carlisle.

It is known as "winter ale." The idea is that in cold weather a working man needs a drink possessing "body." So strong is this new ale that the managers of the State inns have been forbidden to serve it in larger quantities than a single glass. The Government price is 12 cents per glass.

Inherits Fortune

By the death of her aunt recently, ex-Princess Charlotte of Mexico, Princess Stephanie inherits a comfortable fortune.

LARGE AUDIENCE SEES K. OF C. "SCHOOL DAYS"

Harry A. Burkhardt Responsible for Production of Fraternal Musical Skit

The Star Auditorium held a capacity audience last night when the curtain arose on "School Days," presented by Marion Lundy, Knights of Columbus. "School Days," arranged and written by H. A. Burkhardt of Marion, was patterned after the Gus Edwards candle-village sketch of several years ago. It combined many musical numbers with the little red school house humor and depicted a day in the lives of the teacher and his eight unruly pupils.

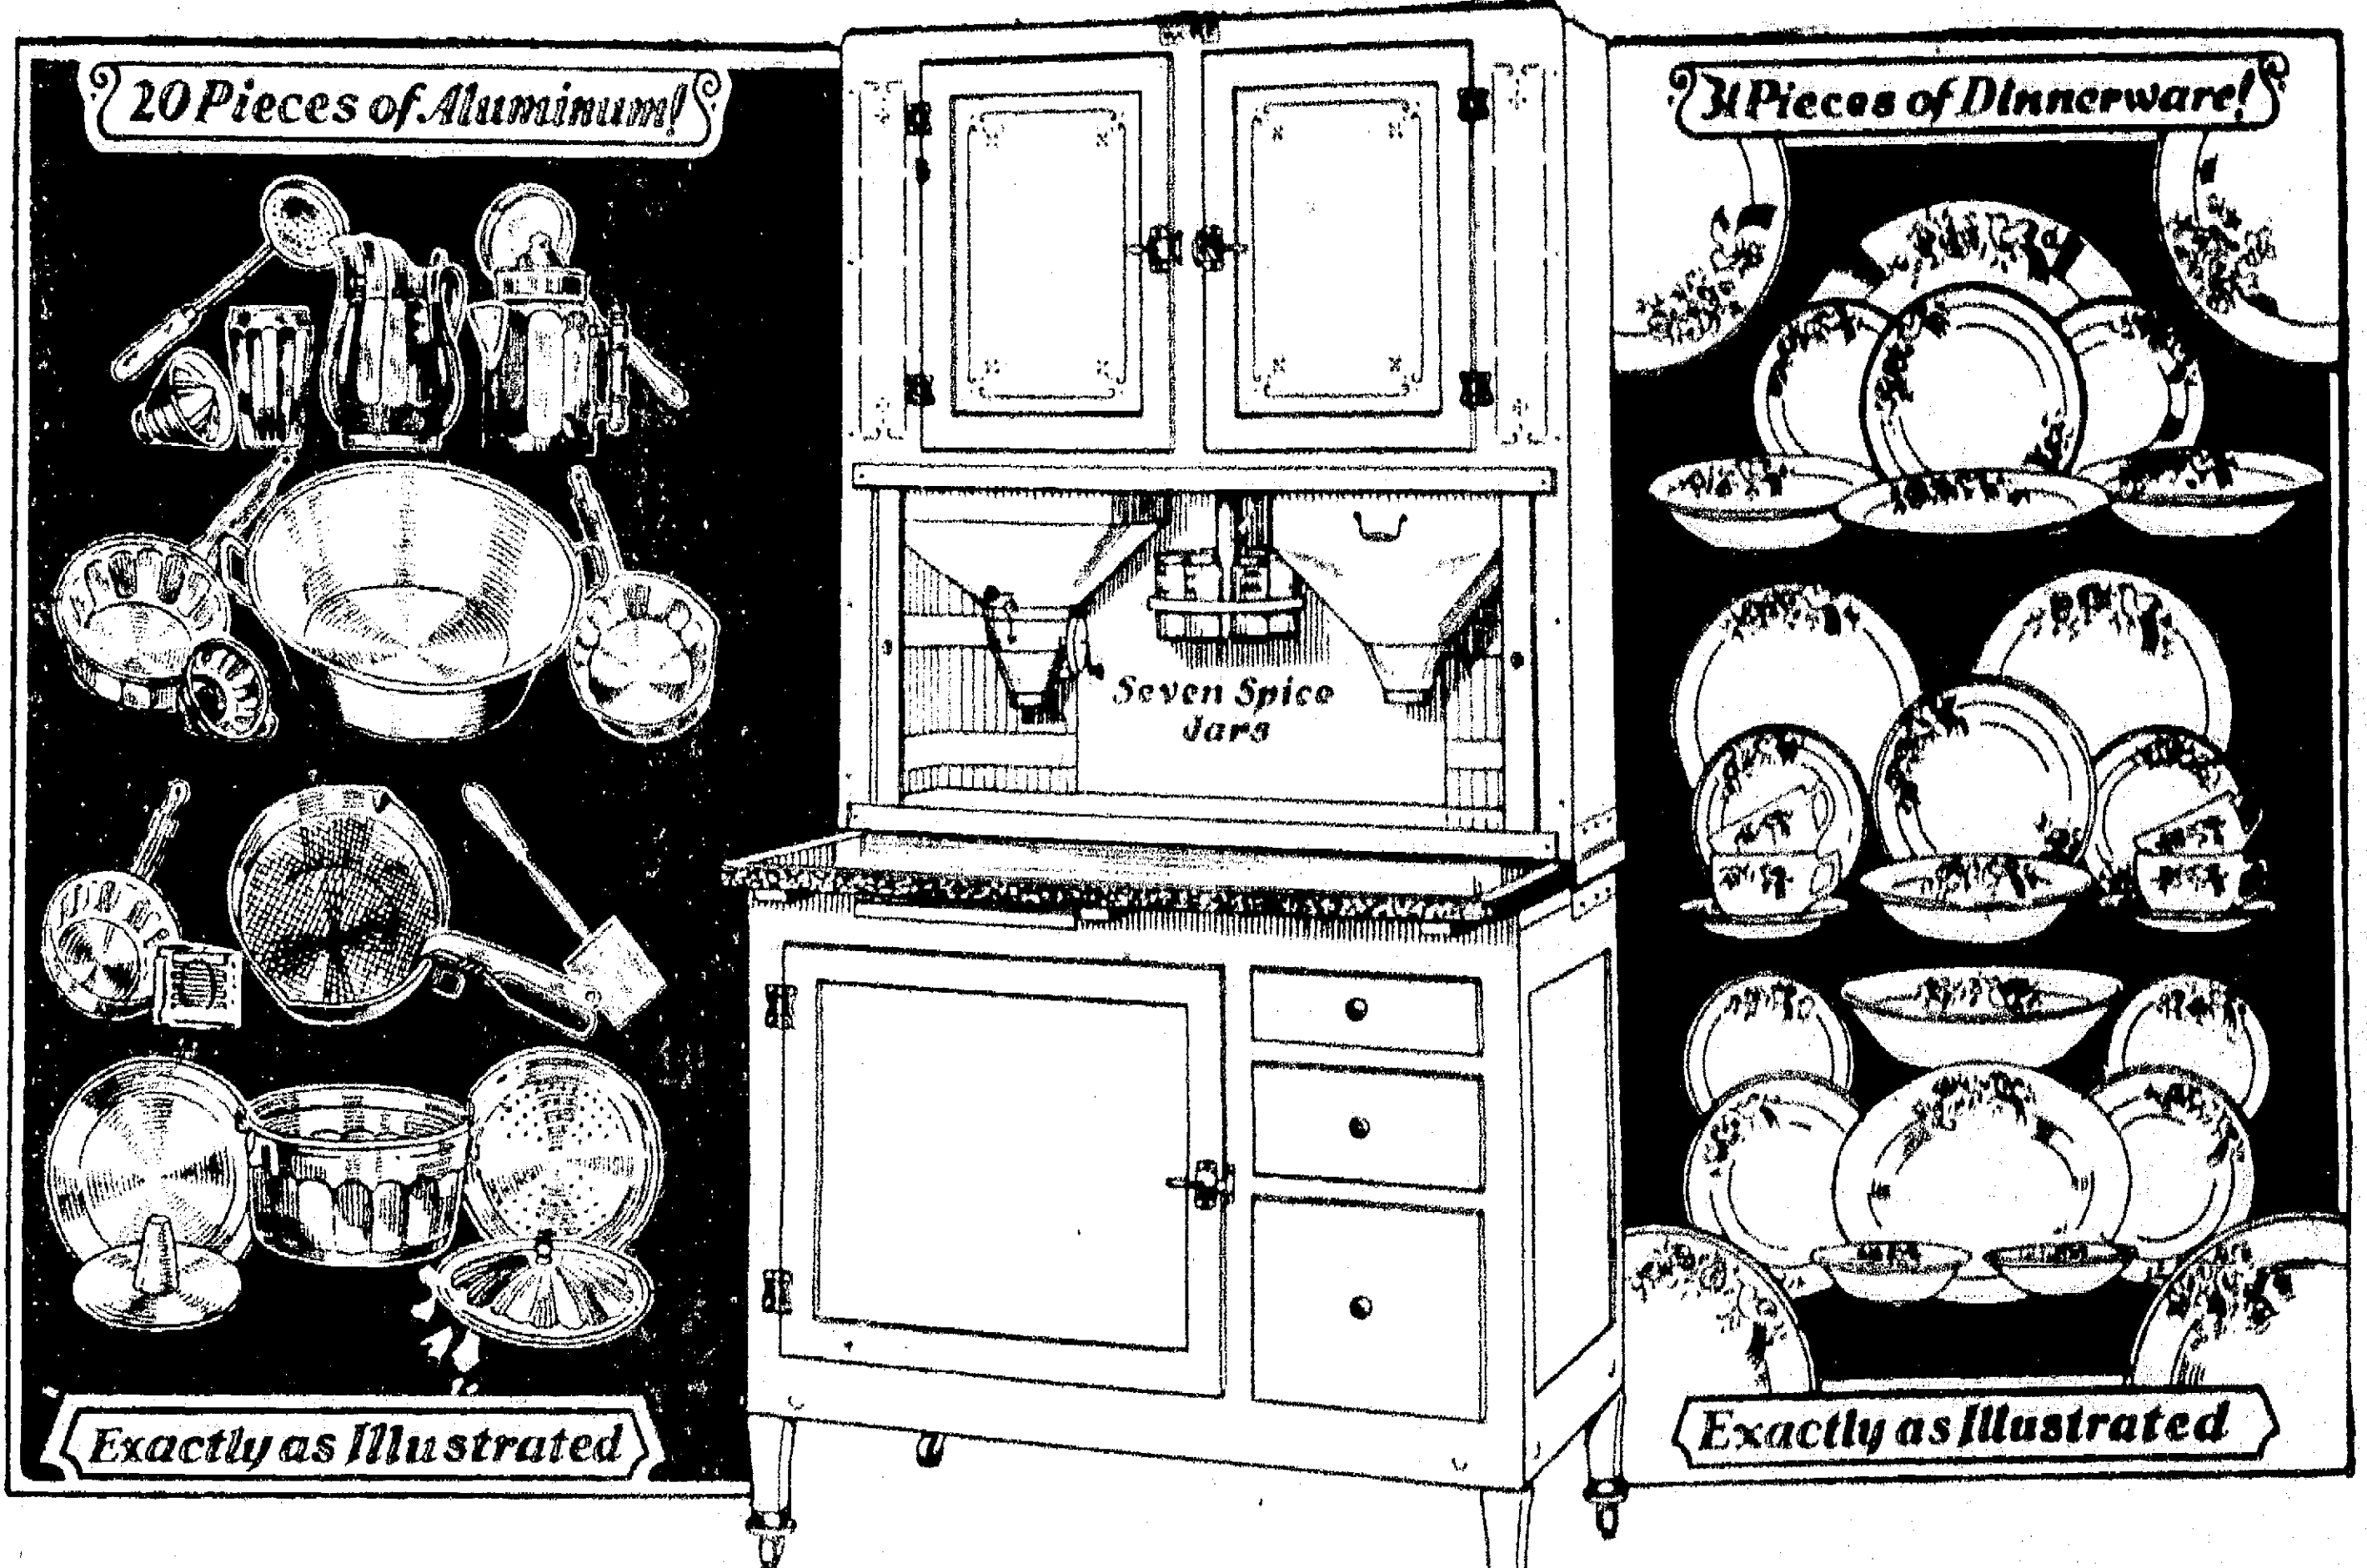

The pupils included Cuten Shy, Tuffin Tuff, Niece Sweet, Tulse Titled, Hilder Back, Lena Gensler, Ina Vamp and Ileana Sling. Played by Margaret Johnson, Dominio Torres, Rosella Miller, Bill McAndrews, Eugene Dennis, Mary Von Karmel, Rita Snyder and Harry Burkhardt. Burkhardt and Miss Von Karmel held the comedy roles while Francis Hartman was the stick-wielding pedagogue and John Schwingler, Jr. paid a Santa Claus visit to the school room. Each of the pupils sang solos.

Misses Florence Ruffing and Ruby Kraft accompanied the soloists, while T. J. Freese was business manager and C. E. Silva in charge of publicity.

Plant Juice is just the juice of those medicinal herbs, leaves, blossoms, barks and roots into which Nature has put definite corrective properties. It is pleasant to take, and gently, without pain or discomfort, it will MAKE your liver and bowels do what Nature intended. See what Mrs. Elizabeth Head of 211 Cedar Street, Evansville, Ind., says about this more than thirty years old remedy:

"Plant Juice has done me so much good that I am sure this is just the thing I should have had years ago. I suffered from indigestion, constipation, and nervousness for 26 years. Nothing I ate agreed with me. I was in a terrible condition, and suffered constantly with cramping pains just at the bottom of my ribs in the small of my back, and up under my shoulder blades. Now I eat anything I want and have no trouble. Plant Juice surely has done wonders for me."

HONORARY CLUB IDEA FEATURED AT HIGH SCHOOL

Five Organizations Made Up of Students Formed at Harding

There was a time in the history of Harding High School when getting good grades was an individual affair but now honorary clubs have been organized which tend to inspire the pupils to get high grades.

Among the honorary clubs are Sophomores, Juniors and Seniors Inter Nos, Roman Senate, and the Tironian Club.

The Inter Nos clubs are girls' Latin clubs and any girl who has had an average of 90 or above for six weeks is eligible as long as she makes the required grade. Officers of the Sophomore Inter Nos are Evelyn Bachelder, president; Mary McGhee, secretary; Elizabeth Staker, treasurer, and Jane Guthrie, reporter.

Officers of the Junior Inter Nos are Katherine Eymon, president; Annabell Pöhler, vice president; Margaret Schultze, secretary; Hazel Barkley, treasurer, and Jane Shulton, reporter.

Officers of the Senior Inter Nos are Dorothea Robinson, president; Mary Hoagland, vice president; Elma Rubins, secretary; Lucille Huot, treasurer and Elizabeth Carl, reporter.

The Roman Senate is the boys' Latin Club and the same standard is required as that in the girls' clubs. This club is represented by George Greiser, president; Arthur Schweinfurth, vice president; William Stazi, secretary and Wilbur Chick, treasurer.

The Tironian Club is a commercial organization of senior boys and girls who have an average of "A" or above in shorthand. The officers are Raymond Romine, president; Mary K. Artopoulos, vice president; Florence Upton, secretary, and Margaret Williams, treasurer.

If Youth But Knew

BY HUBERT WORK
The Secretary of the Interior.

If Youth but knew that which men for themselves must learn. That faith in some age or some thing, anchors in. That sincerity is essential to intellectual honesty. That one act does not establish a habit, but its repetition does. That we are but a composite group of our habits. That character is the truth of a man. That nothing will pay that is not right. That "duty" means to do in the best way the thing that lies nearest. That duty daily performed invites peace of mind.

That each succeeding day should profit from yesterday. That only those can rule, who were first taught to obey. That the lessons of obedience must be learned in youth. That disloyalty to authority penalizes itself. That the head should control, but the soul of living come from the heart. That he best serves himself who serves others. That happiness can not be captured; it comes to us. That nothing happens; it is brought about. That we get from the world an equivalent for what we give to it. That what we see in the faces of others is reflected from our own. That because man's instinct prompts him to deprave, youth is not unobserved. That introspection is wholesome for the soul.

RARE BIRDS OF INDIA FOR SMITHSONIAN

J. H. Riley, assistant in the bird division of the Smithsonian Institution, Washington, is shown at his desk with three rare and separate species of blood pheasants, which will be stuffed and mounted for the national museum. They are found near the timber line in mountains of northern India and China. Their distinct species is due to the fact they are unable to cross valleys on account of heat, each species being isolated.

FOREST LAWN STUDENTS HOLD SPECIAL PROGRAM

Celebrate Washington's Birthday; Former Pupil Presents Piece of Art Work

Pupils attending Forest Lawn School held exercises, songs and recitations Tuesday, Feb. 22, in honor of Washington's birthday. Pictures sent from the superintendent's office for cutting out and coloring were distributed among the six classes. These pictures were also appropriate for the occasion.

Members of the Forest Lawn Community Club will convene Monday, Feb. 28, immediately after school. Mrs. Charles Aiken, president, will preside over the meeting.

Thrift at Forest Lawn stands at about 67 per cent for the entire building. Mrs. Linda Willauer, principal, says that Forest Lawn now stands third in thrift among the other buildings.

One of the first pictures executed by Carl Holander is hanging in Miss Linda Willauer's room at the Forest Lawn.

School. Mr. Holander, now a successful artist in his own right, once attended Forest Lawn and there first cultivated his artistic career. The picture is a very realistic drawing of a lion.

Mr. Holander recently returned to Marion and asked to the Forest Lawn classes. The picture was originally presented to Miss Louise Cunningham, former principal of that building.

WASHINGTON PROGRAM

Miss Harriet Christian's fifth grade pupils of the Mark Street School celebrated the two fourth grades with a Washington's birthday program Tuesday morning, Feb. 22.

NEW CRIMINAL CODE IS SOUGHT BY RESOLUTION

Legislator Urges Investigation of Laws by Joint Committee

Marion, Feb. 25.—Consideration given by the house of representatives here next Tuesday afternoon to a resolution, introduced by Rep. J. H. Dillard, Belmont County, providing that the Ohio Legislature meet in congress to eliminate alleged discrimination said to exist between the southern and central states.

The senate and house recessed on Thursday until Monday night. The house killed the Firelock bill, and sought to create a state up-grading commission to inspect and approve manufacturing and sale of shoes, after the house reference committee reported that the bill was a duplicate of existing law and constitutionally present statutes.

Refer Cigarette Ad Bill
The bill, forbidding advertising of cigarettes where children under 21 are present, will see them, or giving cigarettes to minors for advertising purposes, was referred to the house committee.

The house reference committee reported that the Ehrlich bill providing for appointment of a joint committee, consisting of three senators and three house members, to investigate criminal laws of Ohio and other states, and to submit at the next regular legislative session bills providing for a new state criminal code, and to "make more certain and complete the apprehension and punishment of wrongdoers, to make more clear the vindication of innocent persons, wrongfully accused, to simplify and expedite the conduct of criminal trials, and to assure that substantial justice shall be done."

Would Probe Laws
A joint resolution was offered in the house by Rep. J. H. Dillard, Belmont County, providing for appointment of a joint committee, consisting of three senators and three house members, to investigate criminal laws of Ohio and other states, and to submit at the next regular legislative session bills providing for a new state criminal code, and to "make more certain and complete the apprehension and punishment of wrongdoers, to make more clear the vindication of innocent persons, wrongfully accused, to simplify and expedite the conduct of criminal trials, and to assure that substantial justice shall be done."

The resolution provides for an appropriation of not more than \$20,000 during expenses to be incurred by the proposed joint committee.

After concurring by a vote of 110 to 10, the action of the senate which approved the emergency clause to the Dillard amendment, providing for expenditure of approximately \$4,200,000 for state penal activities prior to July 1, 1933, the house, by a vote of 62 to 45, agreed to accept other senate amendments to the measure.

Include Pen Funds
These senate amendments, included \$200,000 for construction of new cell blocks and a new chapel at Ohio Penitentiary to relieve the congested prison population and \$10,783 as an expense fund for the proposed state board of parole examiners, provided for in the enacted two years ago but which never became operative because the legislature never appropriated necessary funds.

During their objection to the \$10,783 appropriation, a number of house members urged defeat of this senate amendment. In order to concur in the senate amendments, in view of the adoption of the emergency clause, an affirmative vote of at least two-thirds of the entire membership of 137 members was required.

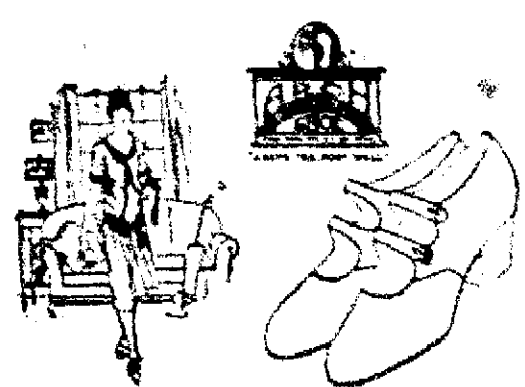

It was indicated that effort may be made next week to reconsider this vote and have the house concur in all the senate amendments. If this fails, it is only the measure will be referred to a joint conference committee and the Dillard appropriation stricken from the bill it was stated.

Because of the absence of a number of legislators, the scheduled caucus to pass proposed taxation legislation and appropriations was not held Thursday. Announcement was made that it will be held probably early next week.

TAKEN HOME
Mrs. Elizabeth Keenan, who recently underwent an operation for appendicitis at City Hospital, was removed to her home, 249 Olney-ave, yesterday afternoon after M. H. Gauder invalid car.

Union County Cage Finals at Marysville Saturday

YORK OUTFIT IS ELIMINATED BY SCARLET FEVER

Byhalia Team To Be Given Credit of Forfeit as Result

Marysville, Feb. 25.—Union County basketball fans will make another visit to Marysville tomorrow to witness the second and last day of games of the annual Union County basketball tournament. Eight girls and six boys teams were successful in the first day's play, which was held Saturday, leaving eight boys teams and four girls teams in the race for the championship title.

The boys teams left are Byhalia, Irwin, New Dover, Watkins Millard Center, New California and Magnolia. York was also entitled to contest but was asked to withdraw because of a scarlet fever epidemic in that school, and will forfeit to Byhalia.

The four girls' teams left are New California, Magnolia Springs, Raymond and Richmond.

Finals

The first part of the afternoon will be taken up by the girls' games which will be between Cally and Magnolia Springs, Raymond and Richmond. These two games will be followed by the semi-finals in the boys division.

The big gun of the tournament will be fired at night when four remaining teams will contend for final honor.

New Dover, present champions in the boys division are slated by many fans to again capture the title. It is evident from last Saturday's play that two teams, New Cally and Magnolia Springs will be a difficult problem for New Dover in the semi-finals and finals.

New Dover has lost only two games this year but one of them was to New Cally.

DIES IN HOSPITAL

Clay Curren, Westfield Township, Stricken at Delaware

Westfield, Feb. 25.—Clay Curren, lifelong resident of Westfield Township, died at Jane Case Hospital, Delaware, Wednesday morning, where he was taken last Thursday for an operation.

Survivors include the widow, Della, one daughter, Mrs. Walter Smith, near Waldo, and one son, Glen, at home, and several grandchildren.

Mr. Curren followed the occupation of farming. He was a member of the Methodist Lodge at Cardington and a member of the Cardington Band. Funeral arrangements were not announced.

CAMP FIRE GIRLS MEET AT HOME OF GUARDIAN

Radnor, Feb. 25.—The O'Donoghue Camp Fire Girls of the Radnor High School and their guardian, Miss Ellen Pugh, entertained the mothers of the members, Friday night, with a three course delicious dinner and Washington birthday party. Mary Janet Davis acted as toastmistress with responses from the mothers.

The work done by the Camp Fire Girls last year and remembrances were given by Evelyn Thomas. Music was furnished by the Camp Fire orchestra.

AUDITOR CHARLES FRY DENIES VISIT REPORT

Bucyrus, Feb. 25.—County Auditor Charles Fry denied reports circulated Wednesday that he had gone to Columbus with Prosecutor Louis Kreiter in regard to the appraisal situation. Fry said that he and Kreiter were in Columbus on other business. Fry also denied that Attorney E. J. Myers of Bucyrus, and B. J. Coter, of Crestline, had been retained to assist Kreiter in fighting the injunction suit against Fry.

Nevada News

Nevada, Feb. 25.—The American Legion has purchased a new motion picture machine, and will give weekly shows at the auditorium. The first show will be given Saturday night.

The Nevada boys and girls' basketball teams will take part in the tournament to be held at Upper Sandusky, Friday night, Saturday and Sunday night of this week.

Maple Syrup Camps Going Full Blast Near Bucyrus

Bucyrus, Feb. 25.—Maple syrup camps near Bucyrus are in operation at full blast as the warm weather Wednesday, Thursday and today has started the sap to flow. Sugar Camp owners who have their camps open are having a big run at the start of the season and those who have not 'tapped' yet are hastening to do so.

Night tapping is often necessary to prevent waste. Crawford County has many sugar camps of various sizes and a high quality maple syrup is expected this year due to the favorable early season. No great amount has been put on sale locally yet but reports from Columbus announce a retail price of \$2.65 per gallon.

Last year the maple season did not start until late in March.

Bowers, James Hecker, Emmet Lerch, Ned Strodes, Roland Weaver, Rollin Johnston, Charles Herscher, Donald Zeller, Margaret Rosenbaum, Lanora Spain, Margaret Keltner, Marjorie Wasson, Zoia Walburn, Ruth Norris and Nida Mae Walburn.

Volva Marshman was piano accompanist and Billy Goebel and Wallace Fry violin accompanists. The Junior high orchestra played.

FRANCES E. WILLARD IS HONORED AT MEETING

Mrs. Lalah Winter Hostess to Members of Nevada Organization

Nevada, Feb. 25.—The Nevada W. C. T. U. honored the memory of Frances E. Willard, founder of the Woman's Christian Temperance Union, at a regular meeting on Tuesday afternoon, held at the home of Mrs. Lalah Winter.

The meeting was opened by singing "The Prohibition March Song," devotionals followed conducted by Mrs. Ethel Keltner; Mrs. Winter sang, "Jesus Lover of My Soul," which was much appreciated.

At the business session which followed it was decided to place Irvin Fisher's book, "Prohibition At Its Worst," in the public school library; also, to hold a sale of baked goods, chicken, eggs and cottage cheese. All white ribbons will be called upon by the collectors, Mrs. Laura Spengler, Mrs. Ethel Keltner and Mrs. Nora Snively. The patronage of the public will be greatly appreciated.

An interesting parliamentary drill was conducted, in which all took part. One of Miss Willard's maxims was, "Everything done in order," hence the drill in parliamentary usage.

The following leaflets were read and discussed: "Little Incidents in the Life of Frances E. Willard," "Frances E. Willard's Statue," "Further Incidents in the Life of Miss Willard," "The Willard Pledge."

After singing "Follow the Glean," the meeting adjourned.

The next meeting, March 22, will be held at the home of Mrs. Lillah McClintock, with Mrs. Esther Kuenzli, program leader.

TWO SERIOUS ACCIDENTS REPORTED AT MT. VICTORY

Kenton, Feb. 25.—Two serious accidents in which farmers figured, were reported in Mt. Victory during the past two days.

While leading hogs onto a track, John Brown, south of here, was kicked in the chest by one of the animals, three ribs being dislocated.

Glenn Miller, north of Mt. Victory, fell more than 15 feet from a hay mow in the barn on his farm, alighting on a corn plow. His limbs were badly cut and he sustained body bruises. The injured man was unable to free himself from the plow until members of the family, attracted by his cries, came to his aid.

CURRENCY TAKEN FROM TIRE STORE AT KENTON

Kenton, Feb. 25.—Gaining entrance through a front door with the aid of a key, burglars escaped with \$500 in currency from the Bonnell Tire Co. in the uptown district here. The combination had been knocked from the safe. Officials are without any clues. Thousands of dollars worth of auto accessories and tires were left untouched.

MAN IS RELEASED UNDER BOND PENDING APPEAL

Kenton, Feb. 25.—Ozell Anderson, Kenton, was released under \$150 bond by Mayor Jean Simpson, Forest, pending the filing of an appeal in the Hardin County court of common pleas. Anderson was fined \$150 and costs by the mayor on charges of selling liquor.

THREE-YEAR-OLD CHILD IS SCALDED BY WATER

Kenton, Feb. 25.—Mary, three-year-old daughter of Mr. and Mrs. Anthony Dick of this city, was badly scalded about the face and arms when boiling water from a pan was accidentally splashed over her. The child was standing near the stove in the kitchen of the home when the accident occurred.

ACT COMMITTED WHILE OFFICERS PLAN RELEASE

Body of Robert Hampton, 37, Kentuckian, Discovered by Prison Mates

Kenton, Feb. 25.—The body of Robert Hampton, 37, Kentuckian, who ended his life by hanging in a cell of the Hardin County Jail here late Thursday afternoon, just as arrangements were being completed to release him, has been sent to his home in Algeria, west of here, for burial.

The body was found by fellow prisoners who became alarmed at his peculiar actions. Officers were puzzled today over where Hampton secured the rope from which he made the death noose, however the belief was expressed that it had come wrapped about a bundle of clothes given him some time ago.

Other prisoners today recalled having seen a rope beneath the pillow on Hampton's bed. The act of self-destruction possibly had been premeditated and the man had hidden the rope away.

Armed Queer

Jaimeaux, Lark Howard, Chester Eagle and Robert Connor, stated that Hampton acted "queer" the night before his death, pacing the floor and humping his head against the walls of his cell.

Motive for the suicide is not known. Inmates, it was learned, told officials that Hampton had muttered several times that "a man who has done the things that I have should be dead."

At noon his wife talked with him in the jail concerning the plans to send him back to Kentucky instead of taking him before the Hardin County grand jury on liquor charges. Just before the body was found he was to have been taken to the office of an attorney to sign a deed transferring his Alger property to another man.

Captured in Chase

Hampton was brought to the county jail on Feb. 8 after having been bound over to the grand jury on liquor charges. It was a third offense which carries a prison sentence. His last arrest was made only after a long chase across fields when he attempted to elude officers after hiding away in a straw-stalk on his farm, it was said. The widow and seven children, one of whom is critically ill with pneumonia in the Alger home, survive.

LARGE NUMBER ATTEND FAMILY NIGHT SERVICE

Gallon Reformed Church Holds Special Program in Social Rooms

Gallon, Feb. 25.—Several hundred members of the First Reformed Sunday school were present for the "family night" gathering held last night in the social rooms of the church. The affair which proved to be the most successful of its kind ever staged, was arranged by teachers and officers of the school who planned the program and entertaining features.

Rufus Eckstein was chairman of the festivities and announced the program numbers. Several clever dialogues were enjoyed. A playlet was given by a group of women. The Gallon High school male octet contributed some catchy popular songs and the program closed with an interesting debate.

After the games and contests which followed, the committee served a light luncheon.

MASONIC BANQUET

Past Masters Hold Annual Affair at Temple

Mt. Gilead, Feb. 25.—The annual past masters' banquet of Mt. Gilead Lodge, No. 206, F. & A. M., which is the outstanding event of the year in local Masonic circles, was held at the temple last night. A large number sat down to the banquet, which was served at 6:00 o'clock.

During the lodge session the master mason degree was worked.

Charles J. Pretzman, past grand master of Ohio and a thirty-third degree Mason was present and delivered an address.

Y.M.C.A. DRIVES NETS 150 NEW MEMBERSHIP

Bucyrus Organization Works Close Campaign; Half Teams Report

Bucyrus, Feb. 25.—The Y.M.C.A. team last night indicated that 150 new members were added to the Y. M. C. A. during the campaign closed yesterday. Only half of the teams reported last night, according to Secretary Earl Gordon, making total number of new members 110. It is expected that the remainder of the reports will bring the total to 150. Arch Lee's team reported the most members with 25.

The campaign workers banqueted in the Y rooms Wednesday evening reported 87 new members signed that time. No banquet was held last night but 28 new members were reported. Although the campaign is officially closed, work of obtaining members will be continued by the office. Negotiations are under way to obtain the membership of several industrial groups according to Gordon.

Workers engaged in reorganizing Y. M. C. A. building are expected to finish in about two weeks.

County High School Championship Games Tonight

HARDING HIGH TO CLOSE RACE SEASON TONIGHT

Will Journey to Delaware for Final Game This Year May Change Lineup

Harding High basketball team will journey to Delaware tonight for their last scheduled game of the season. It is not an O. C. League game, Harding having closed its league season last Friday by defeating St. John's, 18 to 15.

Delaware triumphed Harding here a few weeks ago by a 19 to 13 score. The Marion County basketball team in the last half of that game and went down when they changed their style of defense in the final quarter in an effort to prevent Delaware from stalling when the visitors were leading by a slight margin.

All odds are against the local crew Friday night. The boys will probably play on the armory floor at Delaware, a much smaller court than the Star auditorium. Delaware has a great defense and will know how to put into complete operation on its home floor. And it must be remembered that Harding has already lost to the Delaware County lads once this season.

Everything points to an easy victory for Delaware but since Marion's change in form at Shelby, local fans still hold a slight hope that the Harding basketball team will come through with a win at the close of a rather unsuccessful season.

A change in the lineup was made at Shelby by Coach Bally Compton and the new formation appeared to work well. It may be that the local boys are good against a weak team but we are inclined to be optimistic and hope to see a great battle on the Delaware court.

BISHOPS WIN

Ohio Wesleyan Basketball Team Wins at Delaware

A large number of Marion basketball fans last night saw Ohio Wesleyan basketball team slip into first place in the Buckeye Association when it trounced the Miami basketball team, 40 to 22 at Delaware. Bob Wilson of Miami and Frances W. Bacon of the Ohio Wesleyan players, refereed and umpired the game. Bacon will referee the championship battle between Delaware and Wesleyan at Granville next Tuesday. The two teams are tied for first place and are playing their last game.

HOLD RACE MEETING AT HARDING HOTEL TONIGHT

Many Expected To Attend Gathering for Discussion of Harness Race Plans

A larger number of Marion business men and harness race fans are expected to attend the harness race meeting tonight at the Harding Hotel and take part in the discussion concerning a new track at the Ohio Short Ship Circuit here this summer. The meeting is called at 7:30 o'clock.

A preliminary meeting was held Wednesday afternoon at the Buick garage and all who attended were heartily in favor of a harness meet here this summer, providing it was carried on in a businesslike manner. Those in charge of the event hope to prevent any occurrences like that of last year.

There are two open dates on the Ohio Short Ship program and Marion will take the week of June 20 of it is agreed tonight to hold the races here. It is expected that committees and officers will be chosen tonight and a meet planned.

Olympics for 1928 Get Forty Acres for Contests

London, Feb. 25.—Official communications reaching London indicate that the Dutch Olympic Games Committee is sparing no effort to insure that the Olympic Games of 1928 will be a success.

Forty acres have been set aside by the authorities in the southern part of Central Amsterdam for the games proper, while 125 acres have been reserved for motor parks and training quarters. The car parks will be able to accommodate 4,000 cars, and will have their own repair shops.

Street car lines are being extended practically to the entrance of the grounds, enabling visitors to get to the games within 20 minutes from any part of the city.

CUBS ARE ON WAY TO CATALINA ISLE

Hutchinson, Kans., Feb. 25.—The Cubs stuck their heads out the windows today as they rolled through Kansas and for the first time in many seasons a smoked their cigars with all the liberty of American citizens.

The recent restoration of smoking privileges by the state legislature gave the boys a long awaited opportunity to make faces at the disconsolate "blue-ropes." They did—and how!

The Cubs are enroute to Catalina Island to begin spring training.

READY FOR TIGERS

San Antonio Waiting For Advance Guard of Detroit Ball Club

San Antonio, Tex., Feb. 25.—Everything was in readiness today to receive the first contingent of Tigers due to leave Detroit tonight.

Included in the party will be Manager Moriarty, Trainer Jimmy Duggan, Edw. Wells, pitcher; Bob Fothergill, outfielder; Catcher Clyde Stanton, Coach Liefeld, and Marty McLane. Training will start Monday.

BOWLING POPULAR

Bowling has made such rapid strides in popularity during the past twenty-five years that many predict another decade will see the great indoor game ranked with the major sporting activities.

BY NORMAN E. BROWN

THIS is going to be quite a year for comebacks, including those of us who have just made the last payment on the new car and are now ready to tackle something else.

There are two kinds of comebacks in the sport game—mental and physical. The mental comebacks are always successful. I never saw an old timer get who wasn't sure, not only that he could comeback but that he was already half way to his old place in the vestibule of fame.

But the physical comebacks aren't so common. In fact the difference between the number of those who think they can comeback and those who do arrive is so great that the list of failures reads like the Civil War casualty list.

And then there are serious comebacks and humorous ones, and some that sound serious at the start and turn out to be big laughs.

Now there is Benny Leonard, for instance. Benny says he is going to break his promise to his mother, his hooking agent and the beauty specialist and re-enter the ring in the middleweight titles.

He has been out of the game two years, confining his activities to a song and dance act. The roughest service his face has seen in that time has been a few wicked jabs from a grease pencil.

His fighting has been confined to one-round victories over enticing French pastries.

Heeds No Warning

But now he plans to come back. This despite the miserable effort of Jack Dempsey and those who have gone before. Not only that, but he plans to come back in a strange class—at a poundage he has never carried before. And he still believes he will have his dazzling speed and skill.

Then there is Bill Tilden, king of the tennis world for six years. Dethroned by Rene La Costa, French dandy, last year, Bill hopes to regain his throne again. His is not an idle hope. It is rather a definite hurler at Father Time. Tilden faces the long road back at an age when he may well be called through. He has played wonder tennis for better than 10 years—a pace that should check his speed by this time.

With the younger Vincent Richards (his only rival) out of the way by virtue of his professional venture, Tilden may well feel that he can come back as far as regaining his American laurels. In fact he is still king of Uncle Sam's net.

It was the invasion of the French stars that halted his reign. The Europeans sending him down to defeat as early as last spring.

So it may be this year. Tilden may crash his way through American competition, but the French menace looms stronger than ever by virtue of the fact that La Costa, Borotra, Brugnon, Cochet and Landry are all young men—approaching the zeniths of their careers.

In baseball the ranks of the "comeback" hopefuls are crowded. Sam Jones, "Sad Sam," who helped the New York Yankees win three pennants in a row, but who seemed to have lost his grip last season, joins the list. Having been traded to the Browns, Samuel has taken a new lease on life and hopes to be a regular on the Brown squad.

Frank Snyder, veteran catcher of the Giants, is another. Sent to the St. Louis Cardinals by the Giants last season he refused to report. Now, however, he has been re-instated by Judge Landis and hopes to "make the grade" with the world's champions. The fact that the team may split another series melon did not, of

ILLINOIS INDOOR RELAY CARNIVAL DRAWS MANY

Sixty-Nine Universities, Colleges and High Schools To Compete Saturday

Champaign, Ill., Feb. 25.—Preparations were complete here to accommodate more than 600 athletes representing sixty-nine universities, colleges and high schools, who will compete in the Tenth Annual Illinois Indoor Relay Carnival at the University tomorrow.

College and high school relays, all-around championship and preliminary contests in the dashes and hurdles will be held in the afternoon, in the Illinois armory. Four university relays and ten special events will be held at night in conjunction with three special races.

These will draw Loren Murchison of the I. A. C. and R. A. Robb, Scottish intercollegiate dash champ, in a 75-yard dash; Dan Kinsey, Olympic champion against Chick Verner, former Illinois State Olympic point winner, in two hurdle races of 65 yards each over the high and low barriers.

The baseball world apparently lay at his feet. But somehow Fate, kind to him for a moment, became scornful. While he did pitch some good games for the Sox he never quite came up to expectations. Eventually he was allowed to drift to the St. Louis Browns. He failed to find himself there and was dropped to the minors.

The Boston Braves acquired him in the draft last fall from Milwaukee. Now he hopes to do a comeback with the Bostonians.

Fans are always with these comeback hopefuls when they are in earnest.

DETROIT BACK

Good news it is that Detroit will be back in the Grand Circuit this year.

SOTHORON SPIT BALLER

Allan Sothoron, who has been signed to coach the world champions, Cardinals, is one of the few remaining spit ball pitchers in the major leagues.

GIBSON IN 'FRISCO

Says Jack Sharkey Can Whip Jimmy Maloney If They Meet

San Francisco, Feb. 25.—Billy Gibson, manager of Gene Tunney, leaves tonight for San Francisco, Calif., to discuss with that fighter his next opponent. Gibson thinks Gene would have but little difficulty with any of the challengers.

Tunney will join Gibson here next week. His theater tour ends in San Diego and then, according to Gibson, Gene will go into training in April or May.

What about Dempsey?

"I don't believe Jack is seriously contemplating a return to the ring," Gibson said.

Gibson thinks Gene would have but little difficulty with any of the challengers.

Tunney will join Gibson here next week. His theater tour ends in San Diego and then, according to Gibson, Gene will go into training in April or May.

VOCATIONAL PREPS WIN OVER CENTRAL HI-Y

Final Score Is 18 to 5 with Harding Lads Topping Opponents

The Vocational Preps of Harding High Wednesday night defeated the Central Hi-Y basketball team, 18 to 5, on the Harding High gym floor.

The close guarding of Williams and Severns kept the Hi-Y score down while Haas and Howison piled up the points. Lamb and Shultz both collected a bucket.

Biddle and Scholt led the losers in point-getting, while the floor work of Reid was commendable. The Prep will journey to Mansfield some time next week to meet the Vocationals of that city.

FIRST TRAINING CAMP CASUALTIES FOR PIRATES

Paso Robles, Cal., Feb. 25.—Leo Meadows and Johnny Morris, pitchers were the first casualties of the Pittsburgh Pirates spring training camp here. Both "opened up" too much during the initial workout, and were retired to the bench with cases of stomach attack. Today the Pirate trainers turned the attention to the rookies, among whom are said to be some unusually promising youngsters.

UPAN ADAM

Mary Browne, tennis pro, has gone into the women's hats business. She oughta send each one of the lawn tennis association officials a poke bonnet.

WORLD FAMOUS INDIANS DEFEAT HOLLAND TEAM

World Famous Indians' basketball team of LaRue last night defeated the Holland Furnace Co. team at Holland, Mich., 39 to 27. A record crowd witnessed the performance.

HOLDOUTS WORRY NATIONALS

Tampa, Fla., Feb. 25.—Three holdouts are causing the Nationals some worry. "Muddy" Ruel, the Senators' veteran catcher, has yet to sign, and so have Nick Culp and Bernie Nix. Ruel's differences are said to be deep-seated. Clark Griffith cut his salary this year, as he did most of the other Senators, and Muddy can't see it.

SCANDINAVIAN SPORTS

In the Scandinavian countries all big athletic events are scheduled on Sundays, in preference to Saturdays.

SIX BASKETBALL TEAMS TO PLAY IN AUDITORIUM

Caledonia and Green Camp Boys in Finals; Morral and Pleasant Girls Meet

Everything's set for the great county basketball championship games in the Star auditorium tonight. The first contest is due to blow at 7 o'clock when the Morral and Pleasant boys take the court to battle for third place in Marion County.

The three games tonight will be as the Marion County High School basketball tournament this year. Elimination of all preliminary events was made during the season by the format of the two leagues, one in the west and another in the east section. In this manner only six teams must meet in the auditorium and these quarters carry the reputation of being the best in the county.

Three Marion County boys' teams will go to Delaware to take in the district tournament next week. In order to decide the third team, the athletic committee of Marion County schools has arranged for the second district boys' teams of each division to fight out on the Star floor. These two squads are Morral and Pleasant.

The other two teams to go to Delaware are Green Camp and Caledonia. Green Camp is champion of the west section and Caledonia represents the east. The two quintets will meet tonight in the final game to decide the championship of the county.

The girls' championship battle will be waged by the feminine warriors of Morral and Pleasant. Morral comes from the west while Pleasant is champion of the east.

Plans have been made to accommodate the largest crowd of the season in the auditorium tonight. Basketball rivalry in the county this year has been greater than ever before and indications are that residents of the townships represented in the tournament, together with other fans, will fill the hall to capacity.

You don't know what you would have been, born and reared 300 miles from where you were.

MARION VOLLEYBALLERS WIN MEET

Y. M. C. A. Crew Takes Ten Games in District Tourney at Toledo; Five Victims

Marionites Defeat Toledo, Tiffin, Bellevue, Lima and Findlay in Round Robin Meet; Remain Undefeated During Entire Match; Go to State Tourney Next

Y. M. C. A. volleyballers resolutely were crowned champions of the Western Ohio District when they won ten games and suffered no defeats in a round robin tourney at Toledo, Ohio, which will go to Columbus, March 12, to compete in the state tournament. The Marion men had several tough games but pulled out of all with a winning margin. There were six teams in the tournament, each playing the other two games instead of the elimination system. Marion defeated Toledo, Findlay, Bellevue, Lima and Tiffin in consecutive order, and then lost only one game in the first match, a 15-10 loss to Toledo. The next victim was Toledo, which set of volleyballers managed to win 11 points in the first game, but lost with only seven in the second while Marion marched triumphantly on.

The local men next walloped Findlay 15-2 and 15-6. Bellevue received only two and nine points respectively in the next Marion match and in the final. Marion came through with a 15-2 and a 15-9 win.

Every member of the local crew played excellent ball on the new Toledo gym. It was the second time in two years that the Marionites have won the district tourney. Last year they took the state tournament and were on their way up to the national title when they finally met defeat.

Those who journeyed to Toledo yesterday were Charles Isaly, Bob Strick, L. C. Stang, R. K. Hill, George Diering, Rodney Hume, Vicell Powell, H. C. Siefert, Ted Riddle, Roy Rice and Coach F. O. Rudolph. Manager John H. Clark was unable to attend the meet.

North Central Ohio Loop to Close Season Tonight

The North Central Ohio Basketball League season closes tonight. Only two games are needed to complete the schedules, three teams having already played their quota of six games. Shelby, leaders of the league, will meet Mansfield, league leaders, on the Shelby court, and Bucyrus will play Gallon at Gallon.

What a miracle will throw Mansfield into a tie with Ashland tonight. Mansfield has won five games and suffered no defeats. Ashland is in second place with five victories and a single downfall suffered at the hands of Mansfield. Shelby's only hope for a tie-up in the N. C. O. is a Shelby victory tonight.

Shelby has not won a game this season and are admitted to have by far the weakest team in the league. It is

almost impossible for Mansfield to get knocked off. In fact, the Richmond County seat is already celebrating the victory. It's all over but the formality of going through the Shelby game to complete the schedule.

Bucyrus will have little more trouble in handing Gallon a trimming, if all predictions hold true. Gallon is next to Shelby in weakness and is in sixth place with one victory and four defeats. The victory came over Shelby a few weeks ago. Bucyrus has been trimmed twice this season. First by Mansfield and then by Ashland. Both games have been real battles and Bucyrus ranks among the leaders in the league. By winning tonight it can end the season in third position.

Harding will probably be sitting in fifth place when the season ends tonight. It has won two and lost four. Gallon's only chance of tying the locals is to turn in a win over the Bucyrus crew tonight and that is very unlikely. Delaware will likely close the league in fourth position, Bucyrus in third, Ashland second, and Mansfield on top.

ROSIES TROUNCED

Chicago Bruins Trim Cleveland Team 29 to 23 at Chicago

Chicago, Feb. 23.—The Rosenblums, Cleveland's professional basketball aggregation, were snarling under a severe sting to their championship pride today as a result of being played off their feet in a game with the Chicago Bruins here last night. The Bruins won 29 to 23. Homer Storkenacker, Bruin forward, led the parade by tossing nine consecutive field goals. He also scored three of Chicago's four baskets from the field.

LAST NIGHT'S FIGHTS

At McKeesport, Pa.—Joe La Gray of Johnstown knocked out Young Zabish of Pittsburgh in the second round.

At Annapolis, Md.—Bud Nolan of San Francisco won decision over Willie Piony, 10 rounds.

At Worcester, Mass.—Gene Clark of Lawrence, Mass., knocked out Tony Lorenzo of Weymouth in the third round.

At Chicago—Dominick Petrone of New York and Harry Forbes of Columbus, drew, eight rounds. Emil Paluso of Salt Lake City won decision over Trip Limbaco of the Philippines, six rounds; Don Davis of Chicago won decision over Armando Santiago of Cuba, six rounds.

At Camden, N. J.—Emory Cabano of Portland, Me., won newspaper decision over Mickey Blair of Camden, eight rounds; Ray Rivera of New York outpointed Danny Tooney of Camden, eight rounds; Frankie Vance of Philadelphia won from Joey Reynolds of Atlantic City, six rounds.

At Patterson, N. J.—Tom Sayers of Detroit won newspaper decision over Leo Gates of New York, 10 rounds; Canada Lee knocked out Teddy Herman of Newark in the first round.

STEAM SHOVEL BOWLERS AGAIN WIN CONTESTS

Defeat Displaymen in Three Games During Industrial League Matches

Marion Steam Shovel strengthened their hold on first place in the Industrial Bowling League last night when they defeated the Displaymen in three games on the Y. M. C. A. alleys. Anthony Laundrymen won two out of three games from the Marion County Lumber rollers.

Ties was high man for the Steam Shovelers, rolling 230 in one game. McCally bowled 178 for the Displaymen. However, was high for Anthony's with 191 points and Ballinger took first honors among the Marion County Lumbermen with 178 pins.

HAGEN VS. SARAZEN

Golfers to Renew Private Warfare On Sanford Links Today

Sanford, Fla., Feb. 23.—Walter Hagen, National professional golf champion, and Gene Sarazen will resume their private warfare on the links of the Sanford Country Club here this afternoon.

They are scheduled to tee off at 2:30 o'clock in the third round of 18 holes of their \$5,000 seventy-two hole match, with the final 18 holes to be played Sunday afternoon at Pasadena, Hagen's home course.

Three up on Sarazen at the end of the first 36 holes of play at Coral Gables Sunday, Hagen stands more than an even chance to cop the match.

Bud Taylor Gets Decisive Victory Over Eddie Shea in Bantamweight Match

Terre Haute "Terrier" Adds New Laurels to His Geographical Reputation When Judges Give Him Decision in Ten-Round Bout at Chicago

BY GENE HOFFMAN
Chicago, Feb. 23.—Bud Taylor, the Terre Haute "Terrier," who rates in certain parts of the United States the title of bantamweight champion of the world, had added new laurels to his geographical reputation today by virtue of a decisive victory over Eddie Shea, Chicago Italian featherweight, in the ten-round feature event of Jim Muller's \$40,000 show at the Coliseum last night.

Taylor was awarded the judges' decision at the end of ten stirring rounds that were check full of solid, toe-to-toe fighting. There may have been more spectacular fights in the ancient old Coliseum, but few that contained more action. The boys were at it every minute. Both were on their feet at the end and both were very tired.

Slow Start
Taylor was slow starting. Shea's early aggressiveness indicated that Bud was in for a heavy evening. But the Terre Haute mauler soon got Eddie's range and from the fifth round on he piled up such a lead that nothing but a knockout would overcome Shea. Taylor tried for that blow, but Taylor was too fast for him.

Bud kept a trip-hammer left jabbing on Eddie's face with merciless regularity. Shea could not escape it. At the final going the Italian's face was a bleeding mass of lacerations. Shea's best round was the second when he had Taylor shaking from a series of blows that

brought the claret from Bud's nose and mouth.
Shade vs. Langford
In the semi-windup or what was ballyhooed as the first half of a double windup, Dave Shade, California midweight, knocked the few-bling reputation of Wolcott Langford, Chicago negro, out from under him. Langford lasted the ten round time, but the impression prevailed that Shade might have tucked him away for keeps at most any stage of the proceedings. He knocked the dusky Langford down so many times, that everybody, including the referee, lost the count. The negro hit the canvas least four times in one round—the second.

And Shade—like Taylor—cannot tell a lie. He did it all with his fists, jab, jab. Now and then for the sake of variety, he used it as a hook.

Taylor weighed 119 pounds and Shea, 122½. Shade scolded the two boys, but they were too tired to care. Harry Forbes, of Columbus, O., and Dominick Petrone of New York, went eight rounds to a draw in one of the preliminaries.

Gate Is \$10,000
Promoter Muller said the gate for the show, slightly in excess of \$10,000, had been sold by 3 o'clock yesterday afternoon. Five thousand more were turned away. The demand for tickets set a new record in Illinois boxing.

Two Marion Teams Enter LaRue Basketball Meet

Two Marion amateur basketball teams will journey to LaRue Saturday for the big cage tourney to be held in that city in the afternoon and night.

The two local quintets entered are the Five Brothers and Howitzers. Eight other teams will compete in the tourney, the first of its kind ever held in LaRue. They are the Richmond Baptists, LaRue A. C. Boys' Furniture, New Dover's Independents, Huntsville Tigers, Martel Lion Tamers, Agosta Lunas, and West Mansfield.

Drawings for the meet were held Monday night with Agosta Lunas meeting West Mansfield in the first game of the afternoon. Other games in the first round will be LaRue Athletics vs. Howitzer Company, Five Brothers of Marion vs. Martel Lion Tamers, Boyd's Furniture vs. Huntsville Tigers, and Richmond Baptists vs. New Dover.

Semi-finals and finals will take place at night.

The tournament will be staged in the LaRue High School gym and one of the largest crowds ever to witness games Root.

SIX NARROWLY ESCAPE DEATH, HOUSE BOMBED

Former New York Court Justice and Family Hurler from Their Beds

New York, Feb. 25.—(Press.)—The Court Justice John Palmeri, 56, his wife and their four children, narrowly escaped death early today, today when a time bomb exploded in the front of their home in Ocean Parkway, Brooklyn.

The force of the infernal machine hurled all six from their beds and threw them into the air. The explosion, which occurred at 10:15 a. m., was heard by residents of the neighborhood.

Two men in a sedan were seen to drive up to the house about 15 minutes before the explosion. One walked up to the porch, dropped something, and hurried back to the machine, which sped off.

Every window in the house, in which there are about 15 rooms, was shattered. The front of the house was a total wreck.

A large squad of detectives are scouring the city for these two men, who police are certain were the writers of two threatening letters which Palmeri received about two months ago.

The letters warned the former judge

TROUSERS ARE DOOMED SAY PARIS TAILORS

Breeches and Silk Stockings Coming, French Style Creators Predict

Paris, Feb. 25.—Long trousers for men are doomed. They are to be replaced by breeches and silk stockings.

So says Maurice de Waleffe, writing in "Le Journal" argues Paris tailors to take the initiative in launching the new style and wear from the street to the boudoir, that is England's in men's style.

De Waleffe sees no reason why Paris, the capital of science, the arts, pleasure and women's styles, should not also dictate men's styles.

"Paris is as well qualified to set men's styles as women's providing indisputable proof of esthetic taste is shown in the debut" says de Waleffe.

"All right. There is no particularly disagreeable detail in man's present costume, the pantaloons, double cylinder of material apparently made to his anatomic faults. The triumph of the short skirt has revealed to us in our

female companions unknown but charming article, culotte and knees. Although more robust the masculine leg is none the less well modeled. The emancipation women demand men should have in turn.

"Long skirts become short, skirts by themselves. We must pass directly from capricious to sensible. Gait depends on breeches and stocking costumes have prepared our eyes.

"Let three dozen correct Frenchmen have the courage to show themselves on the street some morning in breeches and silk stockings, calling it is costume a la française. Have the newspaper support them and the revolution is accomplished.

"The next day there will be 10,000 men in costume. The South American, Italian and Spanish visitors will carry the mode back to their countries.

"There and for all our tailors will be delivered from the necessity of copying externally the British fashion. They will be free to create the Latin silhouette, which, delivering us at least from trousers will have taken away from us much ugliness."

De Waleffe, more Latin than the Latin, wants the Latin to have the credit for the great deliverance. He urges speed.

This whole-grain food brings extra flavor—extra nourishment

The natural, unspoiled flavor of the whole grain—that's what makes a bowl of Mother's Oats taste so good. It cooks so smoothly, too—and you can always count on it being the same.

For the careful millers of Mother's Oats have learned how to make oats finer—smoother—more uniform—through 50 years of experience.

Children notice the difference at once.

And mothers are especially glad to see their growing children enjoy this nourishing breakfast.

fast. They know how child health specialists are urging the whole grains these days.

Mother's Oats with milk makes a liberal contribution of vitamins—minerals—protein and other elements that are necessary for sound and perfect development.

Two kinds—the kind you have always known or Quick (cooks in 2 1/2 to 5 minutes). Both with coupons interchangeable with Aunt Jemima coupons, good for silverware and many other handsome articles.

SPECIAL TRAIN ENDS TOUR OF CITIES IN OHIO

Meat Production and Marketing
Rail Display Returns to
Columbus

The meat production and marketing
display, operated by the Ohio State uni-
versity and the New York Central lines

in the interest of those concerned with
the marketing of livestock, today closed
its Northwestern Ohio tour of cities
and villages on various railroads.
The train made its last stop at Marion
today in Delaware, after spending two
months in Ashtabula. It stopped at
Marion on the Big Four road and is
to leave that city later tonight for
Ohio State University campus, where
during the trip to the Capital City
over the Big Four.
The special train mixed Marion to
its tour. It started at Marion and
made stops at St. Marys, Washington,
Fremont, Findlay, Bowling Green, Van-
Wert, and other stations but could
not visit more than 15 miles of this city
it visited Marion. Mr. Gillett was
also visited by the train.
The operation of the special was
similar to that of the "Porter" and
"Special" which attracted much atten-

tion in Marion a few months ago.
Attends Tourney
Robert Stief, employee in the ticket
office of the Union Depot, was in De-
laware yesterday, with the Y. M. C. A.
volleyball team in attendance at the
annual district volleyball tourney.
Visits Here
F. B. Hurlbush, traffic man of the
Hocking Valley, leaving Marion in the
morning, was a visitor in the local
Hocking Valley freight house yester-
day.
In Cincinnati
C. E. Strong, freight claim agent of
the Kent Division, Erie Railroad, was
in Cincinnati yesterday, on company's
business.
Visits in City
John L. Southard of the engineering
department of the Hocking Valley
Railroad, with offices in Columbus, was
a visitor here yesterday.

Business Brisk
Brisk business in transfer of cars
and local freight continues. Marion
freight houses reported today. The
business has increased during the last
few weeks.
Shipments Increase
Loading of coal at the Hocking Valley
Tahle dock has served to increase
the amount of coal passing through this
city over that railroad. It was noted
yesterday. The loading began Wednes-
day.
Mrs. Maria Boden, who has been
appointed city milk inspector of Santa
Cruz, Calif., is believed to be the first
of her sex to fill such a position in the
United States.
Size alone means little; there is more
music in a tin whistle than in a bass

Memorial Planned

What will probably be the most
colossal of colossal monuments is
planned for Rushmore Mountain
in South Dakota, to be carved un-
der the direction of Gutzon Borg-
lum, famous sculptor. Figures of
the nation's heroes will be carved
out of the solid granite, which will
also bear an entablature upon
which will be deeply graven an
outline of the history of the United
States. The figures will all be
scaled to the proportions of men
465 feet high. The photo shows a
model of the proposed memorial
with the figures of Washington,
Jefferson and Lincoln.

Among the latest inventions is an
electrically driven lifebuoy, designed to
enable a rescuer to reach a drowning
person quickly.
As for drowning, horrid trial,
don't have so much to eat and there
won't be so many dishes to wash.

The
half-a-day
man

For months he had hated to face it. . . He
was slipping. Losing out. He who once had
shown such shining promise! His old-time
vigor had gone. Ambition, itself! What had
happened? He seemed to grow weary be-
fore the day was half-way through!
What curse was beggaring his life?
Constipation blights many a
bright career. It destroys initiative.
It weakens the body and leads to
disease after disease. Yet, consti-
pation can be relieved—safely, perma-
nently. Kellogg's ALL-BRAN is
guaranteed to give relief!
Why part-bran products are
ineffective
Doctors recommend ALL-BRAN be-
cause it is 100% bran. They know
that 100% bran means 100% re-
sults! Here is why:
ALL-BRAN carries through the
system moisture which its "bulk"
absorbs. And it gently distends the intestines
—cleansing, removing wastes. ALL-BRAN
contains sufficient "bulk" to perform this
work—because it is 100% bran. In a part-
bran product the quantity of bulk is too
small to be entirely effective.

Don't risk dangerous drugs
ALL-BRAN works as nature does.
How different from pills and drugs
whose doses must be constantly
increased.
Serve ALL-BRAN with milk or
cream—and add fruits or honey.
Let it soak a few moments to bring
out its nut-like flavor. Mix it with
other cereals. Use it in soups. Try
the recipes on every package.
Kellogg's ALL-BRAN is the original
100% bran. Made by Kellogg in
Battle Creek. Comes ready to eat.
Sold by all grocers. Served by
hotels, restaurants. On diners.

NEW FRENCH MOTOR FUEL IS NOT INFLAMMABLE

Paris, Feb. 23.—"White Spirit" is the
new fuel for gasoline motors, and is
not inflammable. That many a
couples of aeroplanes, which does not
possess the high inflammability of gas-
oline, recently discovered by Paul Du-
mont, a French chemist.
Frenchmen have long been in quest
of something to avoid the loss of life
which occurs almost daily by the aban-
donment of fuel in motors. The new
fuel is composed of 80 per cent of
petroleum and 20 per cent of alcohol.
It has been tested with good re-
sults. Blowing machines were dropped
into an open receptacle containing the
liquid but were immediately extin-
guished.
Unfortunately, the kind of people who
oppose common sense, can't be withered
by a blazing shaft of sarcasm. They
don't take it in at all.

Dawes Proves Job's Good To Get Opinions Heard

Vice President Booming Himself for First Place on G. O. P. Ticket

BY CHARLES E. STEWART
WASHINGTON, Feb. 25—Then Charles C. Dawes was elected vice president, he was elected to a job that was not his own. He was elected to a job that was not his own.

The immediate conflict facing the Senate as it met today was a rare but important one. It was a conflict between the Senate and the people. The Senate was divided on the bill, lay in the possibility that two-thirds of the Senate will vote for cloture on the bill in order to end the filibuster.

The action of Senator Johnson in bringing a cloture petition marked the third time this session that "gag rule" was demanded.

In the house, backers of the Boulder Dam bill were fighting against time.

of a vice presidential run before

PRESIDENTIAL death has advanced to a vice presidential run before

The White House to be sure, but that was not the only reason.

Though McKinley had lived out his second term, maybe Roosevelt would have been presidential timber of the end of it, but it's no such thing.

It's quite generally agreed that Coolidge never would have been anything but a vice president.

ONE DAY EACH WEEK SET FOR TRAFFIC CASES

Highway Law Violators To Appear in Municipal Court on Fridays, Plan

One day each week is to be designated for hearing of traffic cases in Marion Municipal Court, according to a plan recently decided upon by Municipal

Judge Martin, in connection with a new docket system recently inaugurated. Although the plan has not been completely worked out, it is expected that on Friday and in accordance with this arrangement, the first hearings will be scheduled for today. The morning session will be held at 10 o'clock and the afternoon session at 2 o'clock. Traffic cases have been tagged during the last week and also were pushed to appear before the judge.

In the past, autoists have frequently ignored the tags by failing to appear for hearing. Judge Martin expects to put an end to this practice and has announced that where owners of tagged machines do not appear officers will be sent out to bring them into court.

Marion Man's Dream of Church for Poor Shattered When Court Action is Taken

Building the project started nearly 10 years ago by Fred Yenny, to build a church for the poor in Marion, Ohio. The project was shattered when court action was taken.

Expected that this will be changed and Friday designated for consideration of all cases which accumulate during the week.

This system will be used only in connection with minor traffic offenses, such as violation of parking rules. Autoists facing more serious charges will be arrested and brought into court at once and their cases heard on the court's criminal docket, Judge Martin states.

The project was shattered when court action was taken. The project was shattered when court action was taken. The project was shattered when court action was taken.

Important Announcements

There's Something of Interest in Every Line

INTEREST KEEN IN DANCING LESSONS

Interest in the coming of Zaetro and White and their six rendezvous girls to the Grand Theatre Monday, Tuesday and Wednesday has reached a high tide in Marion. This is not only due to the size of the act itself, one of the biggest dance revues ever brought to this city, but also to the announcement of Manager Sharpless that the dancers will teach Marionites the latest dance steps, the "Black Bottom" and the "Jig Walk."

Manager Sharpless has arranged to open the Grand one-half hour before the first performance on each of the three nights the act is here. During this half, Zaetro and White, experts in acrobatic and complicated steps, will demonstrate the dances to all Marionites. They will be assisted by the girls in the act.

Zaetro and White are brought to Marion through the Grand's recent affiliation with the Loew Circuit and came here direct from Chicago on their way to Cleveland. Extra stage hands are necessary at the Grand to handle the act, so pretentious is it.

GIGANTIC FILM TRUST CHARGED IN COMPLAINT

Says Independent Concerns Unable To Break In Without Hays' Sanction

Washington, Feb. 25.—A complaint charging the existence of a gigantic moving picture trust, comprising all the corporations governed by Will H. Hays, movie "czar," has been filed with the department of justice with demand for an investigation, it was learned today.

Aside from admitting that a complaint against the alleged "Hays trust" had been received from Frank J. Rembusch, head of the Motion Picture Theater Owners Association of Indiana, and that an inquiry would be made, justice department officials declined to comment.

So far insufficient evidence to justify an anti-trust prosecution has been presented. It was understood, however, that Rembusch would be requested to furnish additional facts and that the department might launch a study of the make-up of the entire motion picture industry to determine whether the Sherman and Clayton laws have been violated.

The charges made by Rembusch, in general, are similar to the allegations presented to the federal trade commission in the investigation of the Famous Players-Lasky combine, accused by the independents of restraining trade and eliminating competition in the movie industry. Hearings in this case virtually have been terminated.

Officials said that the charges brought by Rembusch are much more extensive in their scope, however, than those against the Famous Players-Lasky Corporation.

Rembusch, in his letter, alleged that all companies operating under Hays comprise a trust and that independents are unable to break into the movie business without his sanction.

The Hays organization and its members control the production and distribution field and dominate the entire industry, he said. The Hays association is said to control about 95 per cent of the moving picture industry.

"If a theater owner complains, his character and business are subject to assassination," Rembusch wrote. "Often if a theater owner refuses to buy a picture they will send agents into his city to destroy the good will he has with patrons and threaten to build a theater in competition."

"In this manner they force him to buy their pictures."

"Today none can find a way to screen except through the Hays association."
